

CDH SOCCER AT THE METRODOME

The reason we are playing our games at the Metrodome instead of at Macalester or Concordia University is because our agreement with Macalester came to an end in 2010 and their own intercollegiate and club activities will have priority scheduling making it challenging for us to host events. Unfortunately, as I sought out other venues, they were booked or could not commit reservation until too late in the season. Other venues were not available for doubleheader games.

There is a map link on the soccer webpage.

Parking is free for anyone attending the game right at the metrodome on the east side of the dome. The map has detailed information regarding the location of this parking lot and ticket entrance. [Spectators should park in GATE D area for free parking access. This is also the closest parking to the ticket gate area. Only Gate D will have open doors to the dome.](#)

Teams/spectators coming from east metro taking 94 West should exit 5th street and at the arrival of the stop light on 11th Ave will enter into the metrodome facility and stop at the security gate for access to the free parking in front of Gate D and C.

Teams/spectators coming from north metro schools taking 35W South should exit Washington Ave. turn right/west on Washington Ave. Turn left on 11th Ave and then turn right into the Metrodome before 5th St. and stop at the security gate for access to the free parking in front of Gate D and C.

All spectators should enter at Gate D for ticketing. \$6 for adults/\$4 for students/senior citizens. Spectators can enter the facility after 4:30. Both teams will sit in an area designated by metrodome staff and will be available upon arrival. [I have been communicated that this area would be between section 106 -112. Please only sit in the area reserved for us.](#) One concession stand and restrooms will be provided. Handicapped seating will be provided as well.

Teams are able to access the facility at 4:15. Team buses should follow the same directions as spectators with the exception of at the arrival of the security gate tell the person that you are to access the field tunnel/loading dock for the teams. Then ask the security person for information regarding where to park the bus afterward. The bus has the option of dropping off right in the tunnel and the players can walk on the field or going up the ramp after the security gate and dropping off at the top of the ramp then have the player enter at door and walk down two flights of stairs. Please ask the security guard which one the bus should do at the arrival of the security gate.

There will be a team security check point prior to entering the facility once the team as entered in the loading dock area. This will not take long. You can take the bench closest to the tunnel and section 111 if someone from CDH is not there to direct you where to sit. CDH will sit on the bench furthest from the docking area.

[Ball Boys and Girls are not easy to obtain being off campus. If you have a son or daughter that would be interested in being a ball girl or boy at the game from CDH or the opposing team, I would let the ball boy or girl and one of their parent\(s\)/guardian\(s\) in for free. Please ask the ticket person if a ball boy or girl is needed.](#)

If you have any other questions, please let me know, I can be reached at 651-696-3310 or jloeblein@c-dh.org

Thank You,
Jodi Loeblein-Lecker
