

Choir at Cretin-Derham Hall

Join choir at CDH for opportunities to perform, travel, refine musical skills, and build community!

“You can start at any level! It’s fun to get to sing every day, and you also get to meet new people.”
- 9th grade choir student

“My favorite part is being with people and friends who accept you--your strengths, and your weaknesses. They are always supportive, and they all care about you outside of choir. I also enjoy the music that we sing!” - 9th grade choir student

“Since I’ve been in choir, I’ve found that I can get up and sing (or talk) in front of other people with much more ease and confidence.” – 9th grade choir student

“I’ve become much more in touch with myself, and have gained a lot of self confidence. Good times, and better music!” – 12th grade choir student

“It’s a blast, and you don’t have to have any singing experience. If you like singing or want to try it out, choir at CDH is a great environment to do that.” – 10th grade choir student

“It’s a challenge that is absolutely worth it.” – 11th grade choir student

~

Concert Choir - This non-auditioned ensemble is open to all CDH students regardless of musical ability, experience, or voice part. “Concert Choir” is a great option for you if you cannot fit “CDH Choir” into your schedule! If you like to sing, feel free to join! “Concert Choir” will focus primarily on building musicianship, developing healthy vocal technique and tone, and expanding musical literacy. If you would like to join “Concert Choir” but can’t fit it into your curricular schedule, we can set up a time for you to rehearse the same music with me, and join the curricular group for performances. Concert Choir will perform fewer times throughout the year than auditioned ensembles. *All Freshmen interested in singing at CDH should join the Concert Choir.

Select Treble Choir - This select/auditioned ensemble is open to students in grades 10-12. Auditions will be held each spring for the upcoming school year. Audition times will be held each fall for transfer students. This ensemble gives soprano’s and alto’s who are passionate about making music the opportunity to rehearse, create, and perform at the highest level we can achieve. The “Select Treble Choir” will be the primary choir to perform at State Contest, SEC Festival, and other extracurricular events. Voice lessons are strongly encouraged and a full year commitment is required. Singing experience is not required for select treble choir, however, the audition is. If you are currently in an ensemble at CDH, Mr. Berg will reach out to you about an audition in the spring. The Select Treble Choir will also be the primary touring choral ensemble of CDH. In 2024, we will tour to San Diego. In 2022, we toured to San Antonio.
