

Cretin-Derham Hall

Welcome to Cretin-Derham Hall!

Please allow us to introduce you to CDH's volunteer non profit tuition assistance program, a fun and easy way to lower your tuition costs at school. Parents and students can raise money towards their CDH tuition by working high profile events in both Minneapolis and St. Paul. Through these fundraising efforts, volunteers are able to offset tuition for their student/s at CDH.

Volunteers are needed at games, concerts and other events at: US Bank, Allianz Field, Xcel Energy Center, CHS Field and several University of Minnesota events including football at Huntington Bank Stadium. All events are scheduled through Sign-up Genius, so you are able to pick and choose which events you are available to work. The money you earn is sent to CDH and applied directly to your tuition. Volunteering with this program does not affect your TADS application or when applying for college.

There are two coordinator teams that help run the program for CDH and the volunteers. Erin Kimlinger is responsible for event scheduling and concession stand orientation for new parents. She can be reached at cdhnpo@gmail.com. Jill and Jeff Tallman are responsible for tracking tuition credits as well as ensuring that volunteers have completed any required venue training. They can be reached at cdhtrain@gmail.com.

Again, welcome to CDH. We look forward to working with you soon!

Thank you,

Erin Kimlinger and Jill & Jeff Tallman

CDH Volunteer Coordinators
