Cretin-Derham Hall Football

The Cretin-Derham Hall football program is determined to give all of our players the opportunity to maximize their potential, both on and off the field. We strongly believe that a student-athlete can learn a lot about life, develop maturity and gain confidence by being a part of something greater than any individual. As such, we will stress a “Team Concept.” This means that all of our efforts and energy will be aimed at making ours the best team possible. Team success will be determined by how well we work together, not just wins and losses. Expectations for both staff and players will be high. Coaches will strive to treat all players as equals no matter their grade, size, ability or position. In turn we want our players to take pride in being a member of the CDH football team and to always carry themselves with class. High school football at CDH is special. It is a gift. Make the most of it because this is a once in a lifetime opportunity.

In 2015, We Have Five Goals For Our Players:
* To have fun and enjoy this experience.
* To be the best person you can be.
* Be a good teammate.
* Always be humble and hardworking.
* In all areas of your life, carry yourself with class.

“The Raider Way”
Cretin-Derham Hall understands that a student’s involvement in our football program will play a significant role in their overall development. The Raider Way refers to the following ten principles that will be emphasized to, and nurtured in, our student-athletes:
1. Commitment (to do all you can to bring about team success)
2. Attitude (always positive)
3. Unselfishness (the team always comes first)
4. Effort (always 100%)
5. Accountability (you are always responsible for your actions)
6. Loyalty (believe in our football program)
7. Faith (believe in yourself, your teammates and coaches)
8. Pride (take pride in being part of the CDH program)
9. Respect (for self and others)
10. Brotherhood (a bond based on the care of and love for each other)
I have read and understand the General Team Policies.
