

Naviance Update

All students in the Class of 2022 have been registered on **Naviance**. Parents were also issued registration codes for individual accounts. You can access your Naviance account from the CDH website by clicking on “Current Parents & Students” then “Naviance”.

Here are some features you will want to be sure to use:

On Your “Home” Page

“Message” - look here for messages from the counseling office

“Links” – click on “view all from my school” for complete list

Find quick links to many helpful websites that you may use frequently during your college search and application process.

Under the “Colleges” Tab

Under “Home” - “Colleges I’m Thinking About”

This feature allows you to list the schools you are currently considering. You can view directory information about the schools, email your colleges, view scattergrams of CDH admissions statistics and go directly to the college websites all from this page. Hit “compare me” and you will get an idea of how you might fare in the admission process on your list. Your counselor can also view your schools so it is a good way to keep your counselor informed.

“Colleges I’m Applying To”

If you use the Common Application, this is where you need to complete the Common Application Account Matching. See separate handout for instructions on completing the FERPA and Matching your Naviance account. This is also where you can check to see if CDH has sent your supporting materials.

“Scholarships and Money”

“Scholarship List” & “National Scholarship Search”

Each time CDH is made aware of a private scholarship we will post the notice on Naviance under “Local & Regional Scholarships”. Be sure to check this list often to search for scholarships that are appropriate for you. Make sure to watch your deadlines

and allow plenty of time to apply. You can also use this tool to search for national scholarships.

Under the “Careers” Tab

Explore Careers

Naviance has a wealth of information about various careers. Spend some time exploring the possibilities.

Explore Roadtrip Nation Videos

This is a library of videos of young people interviewing leaders in various careers. You can search by leader, by interest or by theme.

Under the “Self-Discovery” Tab

“My Assessments”

“Strengths Explorer”,

“Personality” &

“Career Interest Profiler”

Each of these career related assessments will take you about 30 minutes to complete. Your results will be available immediately and you will be able to see what careers are of most interest to you at this point in your life. Ideas for possible college majors are also displayed. Please be sure to do this!

Under the “About Me” Tab

“My Surveys”

This is where you will find your Student College Counseling Questionnaire. We ask that you complete this survey as soon as possible as the information you provide will help your counselor complete the necessary secondary school reports and write a strong letter of support for you. Parents will be asked to complete a similar survey.

If you have questions about Naviance, give us a call at 651-696-3312.
