

Spectrum Summer Reading 2025

Please read BOTH of these novels for your summer reading:

Americanah, by Chimamanda Ngozi Adichie

Educated, by Tara Westover

We have some copies of *Americanah* at school, so please pick them up before leaving for summer break. You will have to find copies of *Educated* at a library or bookstore on your own.

You will be quizzed on both novels upon your return to school. If you are a diligent reader and are afraid you will forget what you have read during the summer, there will be an opportunity to do one or both quizzes midway through the summer at 10:00am - 2:00pm on Wednesday, July 9, or 10:00am - 2:00pm on Wednesday, July 23, at CDH.

Please email Ms. DeVos, Mr. Kruse, or Mr. Cusick if you have any questions or concerns. Please also know that we too are on break during the summer and may not check our email on a regular basis.

Thanks and have a lovely and restful break.
