Welcome to Cretin-Derham Hall

The faculty, staff and administration of Cretin-Derham Hall would like to welcome you to the 2016-2017 school year. Cretin-Derham Hall is a Catholic, co-educational high school, co-sponsored by the Brothers of the Christian Schools and the Sisters of St. Joseph of Carondelet, committed to Christian values and academic excellence in grades nine through twelve. We will educate young men and women of diverse abilities, cultures, and socio-economic backgrounds for opportunities in post-secondary education.

Through instruction, experience, and example, the school intends to prepare students to know their faith, to create community, and to lead lives of worship and service. Cretin-Derham Hall will provide an environment which will enable all students to achieve their intellectual potential, prepare them for further education, and empower them to function as effective members of church and society.

Through academic and co-curricular experiences, students can integrate the spiritual, cultural, intellectual, physical, emotional, moral and social dimensions of their lives. Cretin-Derham Hall will create opportunities for leadership and achievement for both young women and young men.

This handbook is designed to help parents/guardians and students become familiar with the Cretin-Derham Hall Mission and Values, its policies and procedures, and general information which will be useful throughout the school year.

Cretin-Derham Hall Prayer

Let us remember that we are in the holy presence of God, and
let us love God and our dear neighbor without distinction.

Loving God,
Giver of Life, Sacred Friend and Tender Parent,
We know You as helper, healer and comforter.
By your generous Spirit we are forgiven and restored.

Help us to be one with You.
May that union of love lead us to serve others
in acts of charity and justice.
Help us to respect not only others, but all of creation
so that future generations will have your gifts as well.

Drawing from our Catholic tradition of Gospel values and service,
May we recognize and develop our individual gifts and talents
so that our work at Cretin-Derham Hall
Will empower us to go out among others
with the passion and self-giving of our
patrons and intercessors,
St. John Baptist De La Salle and St. Joseph.

With grateful hearts,
We ask this in Jesus' name.
Amen.

St. Joseph- Pray for us.
St. John Baptist De La Salle - Pray for us.
Live Jesus in our hearts - Forever.

Cretin-Derham Hall Mission Statement

Cretin-Derham Hall is a Catholic co-educational high school, co-sponsored by the Brothers of the Christian Schools and the Sisters of St. Joseph of Carondelet, committed to Christian values and academic excellence in grades nine through twelve. Values

CATHOLIC - A conscious focus on Judeo/Christian traditions and Gospel values and Catholic doctrine as understood, celebrated and lived in the Catholic Church. ACADEMICS - The process of imparting an identified curriculum for the purpose of preparing students for opportunities in post-secondary education.

LEADERSHIP - Provide an environment in which students learn about, develop and exercise the skills necessary to positively affect their community.

COMMUNITY - A body of diverse and inter-related individuals who support, care, and respect each other and seek to demonstrate these values in society.

SERVICE - A commitment to ministry within the church, school, and community at large to develop a sense of stewardship.

DIVERSITY - A conscious focus on and a shared responsibility to understand and respect the differences in abilities, religions, cultures, and socio-economic backgrounds of the school community and society.

EQUITY - A conscious focus on and a shared responsibility for the development of a gender fair environment.

Cretin-Derham Hall Legacy Statement

*Let us remember we are in the holy presence of God,
and let us love God and our dear neighbor without distinction.*

As we begin a new school year, we will call ourselves to prayer on the first day of school and many times throughout the year. This call to prayer signifies the tremendous legacy we have received from the Sisters of St. Joseph of Carondelet and the Brothers of the Christian Schools. In the beginning, *Cretin-Derham Hall* was two separate schools created and sustained by these two communities of women and men. Derham Hall and Cretin provided education for young women and young men among Saint Paul's growing immigrant population. Like their humble beginnings in 17th century France, both the Sisters and Brothers went out into the city, observed the lives of the people, and developed a plan to meet the signs of the times.

Today the mission and values of Cretin-Derham Hall reflect the spirit and mission of the Sisters of Saint Joseph of Carondelet and the Brothers of the Christian Schools. We benefit from the selfless service of these communities and the legacy each has given us. From their founder, Saint John Baptist de La Salle and the Brothers, we receive education that is grounded in a conscious awareness of God's presence, and to the learning experience, we are challenged to bring both passion and faith. From the inspiration of Saint Joseph and the Sisters, we are reminded that the love of God must always move toward a profound love of the dear neighbor, i.e., creating a hopeful, loving, and just world.

And so, as we gather to form a school community, we will also gather to pray and ask God's abundant grace and blessing on us. May we believe that our efforts as students, teachers, and staff, are part of life's greatest purpose: to remember and live fully in the holy presence of God, and to love God and our dear neighbor without distinction.

**Saint Joseph, pray for us.
Saint John Baptist de La Salle, pray for us.
Live Jesus in our hearts, forever!**

Seven Principles of Catholic Social Teaching: Reflections from the Catholic Bishops of the United States¹ And Their Implementation at Cretin-Derham Hall

Principle #1. The Dignity of the Human Person

Behold, we are God's children now; what we shall be has not yet been revealed. We do know that when it is revealed we shall be like God, for we shall see Him as He is (1 John 3.2).

All people are created in the image and likeness of God. Our belief in the sanctity of human life and the inherent dignity of the human person is the foundation for the principles of our social teaching. People do not lose their dignity because of disability, poverty, age, gender, lack of success or race. We believe that every person is precious, that people are more important than things, and that the measure of every institution is whether it threatens or enhances the life and dignity of the human person.

The dignity of every person created in God's image and likeness is the fundamental building block in the ongoing development of Cretin-Derham Hall as a community of learners. From ninth-grade orientation through graduation day, students are invited to recognize and respect one another and to value life in all its stages. One of the most pervasive examples of respect offered and modeled to students is the daily challenge to reach the fullness of their potential academically, socially, and personally. At Cretin-Derham Hall, every student will be respected and will be asked to respect each person mindful of the ways they are each different yet united in being made in the image and likeness of God. For it is that common thread of being made and loved by God, that can hold a diverse community together. Therefore fostering respect for oneself and others, as well as for all of creation, is a fundamental way to honor the dignity of life.

Principle #2. The Call to Family, Community, and Participation

This I command you, love one another (John 15.17).

Our Catholic tradition proclaims that the person is not only sacred but also social. How we organize our society -- in economics and politics, in law and policy -- directly affects human dignity and the capacity of individuals to grow in community. The family is the central institution that must be supported and strengthened. The Catholic tradition teaches that human beings grow and achieve fulfillment in community.

Cretin-Derham Hall recognizes that Catholic education is not only an academic preparation for continued education, but also a spiritual undertaking of the sacred task of creating a just society. While empowering each individual student to reach the fullness of his or her potential academically and spiritually, Cretin-Derham Hall's seven values -- Catholic, academic, leadership, community, service, diversity, and equity -- can only be developed and achieved through participation in the community. In essence, the development of each individual student is fundamentally personal and familial, social and systemic. Therefore sincere consideration is given to the communal aspects of school climate, family, parish, neighborhoods, and beyond, in the process of educating for life.

Principle #3. The Rights and Responsibilities of Every Person

You have been told what is good, and what God requires of you: Only to do the right and to love goodness, and to walk humbly with your God (Micah 6.8).

The Catholic tradition teaches that human dignity can be protected and a healthy community can be achieved only if human rights are protected and responsibilities are met. Therefore, every person has a fundamental right to life and a right to those things required for human decency. Corresponding to these rights are duties and responsibilities to one another, to our families, and to the larger society.

One of the most fascinating points about Catholic Social Teaching is its consistent emphasis on the interconnectedness between the rights and responsibilities of persons. While even the U.S. Constitution states every citizen has inalienable rights, Catholic Social Teaching goes one big step further by understanding that each person's *right* to life, food, shelter, healthcare, education, and employment is every other person's *duty*. For example, each student's right to education is every other student's and faculty's responsibility to maintain a classroom that is free of behavior that is detrimental to any student's capacity to learn. Applying this essential principle of rights and responsibilities, Cretin-Derham Hall seeks to create an atmosphere where every student can receive the opportunity to learn. With its policies and procedures, the student handbook provides a framework for identifying every person's rights and responsibilities in the school.

Principle #4. The Preferential Protection of the Poor and Vulnerable.

And the king will say to them in reply, 'Amen, I say to you, whatever you did for one of these least of mine, you did for me' (Matthew 25.40).

A basic moral test is how our most vulnerable members are faring. In a society marred by deepening divisions between rich and poor, our tradition recalls the story of the last judgment (cf. Matthew 25.31-46) and instructs us to put the needs of the poor and vulnerable first.

No matter how technologically advanced or emotionally intelligent human beings have become, human history reveals a general pattern among developing civilizations: those who have not become those who have, and those who have now, forget the time when they had not. Consequently, the care for the widows, the orphans, and the aliens in the community would be forgotten and those who have become "owners" continue to store and save for their own. The fourth principle of Catholic Social Teaching challenges this basic pattern in society. Throughout time, women who are widowed, children who have lost their parents, and immigrants who have moved to a new land have been the most vulnerable in society. Catholic Social Teaching emphasizes that those who live in states of sustained deprivation receive protection and support because, as principle #3 states, to the extent that their basic rights are not met, the community is responsible for their care and protection. Cretin-Derham Hall is an educational institution which is also a Catholic school by, first of all, humbly and gratefully acknowledging the many gifts it has received, and, secondly, seeking to use the time, talent, and treasures given for the protection of the most vulnerable both within the school and in the metropolitan area. Great effort is made so that each student's high school experience can include times of direct and reflective service-learning in neighborhoods unlike their own. Similarly, care and support is given to the process of realizing the various privileges available to the students and how those privileges can best be utilized on behalf of others and not simply applied for personal gain. Believing in educating each student for life, Cretin-Derham Hall strives to develop a conscious commitment to the most vulnerable.

Principle #5. The Dignity of Work and the Rights of Workers

Stay in the same house and eat and drink what is offered to you, for the laborer deserves his payment (Luke 10.7).

The economy must serve people, not the other way around. Work is more than a way of making a living; it is a form of continuing participation in God's creation. If the dignity of work is to be protected, then the basic rights of workers must be respected: the right to productive work, to decent and fair wages, to organize and join unions, to private property, and to economic initiative. Respecting these rights promotes an economy that protects human life, defends human rights and advances the well-being of all.

Cretin-Derham Hall strives to help students recognize the dignity of work both by seeing the school learning environment as their “workplace,” and by understanding their studies as part of their vocation. During their high school education, students participate in God’s creation through positive involvement in academic study, co-curricular programs, and daily presence at school. Following the principle of the students’ right to work and their responsibilities, Cretin-Derham Hall also recognizes and values the dignified work of its teachers and staff. Through their ongoing dedication to students, their vocation as educators is manifested not only in the explicit curriculum that is taught, but also through the implicit curriculum that is caught (i.e., the modeling of faith, character, and integrity in the classroom).

Principle #6. Solidarity

Love bears all things, believes all things, hopes all things, endures all things (1 Corinthians 13.7).

Catholic Social Teaching proclaims that we are our brothers’ and sisters’ keepers, wherever they live. We are one human family, whatever our national, racial, ethnic, economic, and ideological differences. Learning to practice the virtue of solidarity means learning that “loving our neighbor” has global dimensions in an interdependent world.

Cretin-Derham Hall strives toward the significant and challenging task of inviting its students, faculty, and staff to recognize the power of belonging to one human family. Sometimes this invitation is as simple as encouraging one another to believe that even the smallest kindness (e.g., a book or coat drive, collections for earthquake victims, victims of sex trade and slavery, etc.) can have a significant rippling effect in the hallway, in a classroom, on a team, or in another neighborhood or country. And sometimes this invitation is uncomfortable for it can ask how one’s pattern of consumption can impact the economic system of one’s brothers and sisters in other parts of the world. Significantly, what might well be lacking in communication of cultures can be eclipsed by the fervent exchange of goods. Always present is the challenge to identify how economy impacts solidarity. Continually students and faculty are asked to consider how the power to purchase not only creates a relationship between the buyer and seller, but also to the manufacturer and laborer who may or may not have received a just wage for their work. Finally, great efforts are made to provide lively, authentic, and spiritual liturgies that remind all members of the community that prayer can be a profound and radical act of solidarity with brothers and sisters throughout the world.

Principle #7. Care for God's Creation.

God blessed them, saying: "Be fertile and multiply; fill the earth and subdue it. Have dominion over the fish of the sea, the birds of the air, and all the living things that move on the earth (Genesis 1.28).

Our Catholic tradition insists that we show our respect for the Creator by our stewardship of creation. Care for the earth is not just an Earth Day slogan, it is a requirement of our faith. We are called to protect people and the planet, living out our faith in relationship with all of God's creation. This environmental challenge has fundamental moral and ethical dimensions that cannot be ignored.

At Cretin-Derham Hall, we strive to live as stewards of the riches of the world around us. Specifically, we express care for God's creation by maintaining the environment in and around the school. Examples of ways we respect the environment include: recycling materials and re-using paper and supplies, being respectful of one another's property, assisting in the cleanup of the lunchroom as assigned, and by being considerate of people and private property in the neighborhood surrounding the school. All members of the Cretin-Derham Hall community are involved with maintaining the school through these particular practices, and through the particular, we can discover the universal. Such aspects of environmental respect can lead to greater awareness of and concern for the earth and its resources now, and in the years to come.

Academic Policies

Academic Accommodations

Teachers will be available for academic help every day from 2:30-3:00. During this time no athletic or extracurricular practices will be scheduled so that all students will have the opportunity to take advantage of this help. Students who are struggling in a class may be required by their teachers to attend these help sessions.

Based on the academic information provided and a realistic appraisal of school resources, CDH may develop a Plan of Academic Accommodation to meet the needs of the student. This plan is then shared with the student's teachers and our best effort will be made to address the student's individual needs. Parents/guardians, administration and staff may receive the plan and adjust it if needed.

In order to develop this plan, we need access to the following:

1. Any academic testing and related recommendations
2. The accommodation provided at the student's last school
3. If applicable, the IEP or 504 Plans that have been in place.

Cretin-Derham Hall does not have active IEP or 504 plans, nor does it follow any plans kept open through your public school district. CDH may not be able to accommodate all students because of our existing resources.

Credit for Failures in Continuous Courses; Credit for Repeat Courses

An opportunity is offered to make up a failure in a trimester other than the last of a continuous course (i.e., a course lasting two or three consecutive trimesters with the identical course name and numerical designation). The failing grade will be recorded as "F" on the student's transcript. However, this "F" grade will be changed to "Pass" if the student earns at least a "C-" grade in a later trimester of the same course during the same nine-month school year. As a result, credit may be earned for one previously failed trimester. This opportunity is also available if students have changed course levels upon teacher recommendation.

School policy regarding course repeats includes the following basic principles:

- a) Students who fail a required course must retake the course or an approved substitute and earn credit, and
- b) No course is to be repeated for credit if credit was earned for the course previously.
- c) No grade will be deleted from the permanent record.

The school also recognizes two situations in which a course repeat may be required by faculty, even though credit was earned previously:

1. The first situation involves courses lasting more than one trimester. In order to be prepared for retaking a later segment in which no credit was earned, the student may be required to retake earlier trimesters even though credit was earned previously for these segments. If the course is retaken at a different performance level (e.g., Advanced rather than College Prep) as required by faculty, the student may receive credit a second time for segments in which credit was earned. When the course is retaken at the same performance level, credit is received only one time for any given trimester.
2. In very rare circumstances, a student may be required by faculty to repeat an entire year course in order to prepare for continuation in the study sequence, even though the student has received credit for the year. If the course is repeated at a different performance level (e.g., Advanced

rather than College Prep) as required by faculty, the student may receive credit for each trimester retaken. If the course is retaken at the same performance level, no additional credit will be received. Students retaking a course for no credit must still carry at least six courses for credit each trimester. The no-credit course may be considered a sixth course only if the student's total earned credits exceed the minimum number of required credits.

Early Graduation

We believe that the high school experience is tremendously valuable. Cretin-Derham Hall offers opportunities for personal and community learning experiences which contribute to the student's intellectual, emotional, social and spiritual growth. These opportunities are designed specifically for young men and young women at every stage of high school education. Early graduation is considered only in exceptional circumstances.

To be considered for early graduation, a student must have earned a cumulative grade point average of at least 2.70. Applications for early graduation must be submitted no later than the fourth week of the first trimester of the junior year. The student must meet with a counselor to present a plan for early graduation. A committee comprised of a counselor, three department chairs and an administrator is established. The student and parent or guardian will discuss the request for early graduation with committee members. A decision will be made by committee members.

If permission for early graduation is granted, the counselor and student finalize a contract for the student to earn credit for all courses required by Cretin-Derham Hall prior to the agreed graduation date. This contract should include an option, which allows the student or the school to return to the original graduation date. It is the parent's responsibility to make appropriate tuition arrangements with the administration. Students who graduate early will not participate in the graduation ceremony or any of the graduation and senior year activities unless granted permission by the Principal.

Eligibility Standards: Participation in Athletics, Extracurricular/Co-Curricular Activities

Mid-Trimester Eligibility

Any student who is failing two or more credits on the Mid-Trimester Report Card becomes ineligible for participation in activities starting the Monday after Parent-Teacher Conferences. (The grade that is listed on Infinite Campus the Monday after conferences will be used to determine eligibility). The student will remain ineligible for seven calendar days. At the end of seven days, if the student is passing all of the credits in question, eligibility will be restored. If at the end of this first week the student is still not passing all of the credits in question, he/she will remain ineligible for another seven days. This cycle will be repeated weekly until the student is passing all of the credits in question.

Once the student is passing all of these credits, the Athletic Director/Activity Director will be informed by the Guidance Department and eligibility will be restored. The student will then be monitored weekly by the Guidance Department for the remainder of the grading period. If any of the credits in question fall below the passing level (D-), the student will again become ineligible for the remainder of the grading period.

End of the Trimester Eligibility

At the end of a trimester, any student who fails more than one credit will be ineligible to participate in any athletic or co-curricular activity. Ineligibility will start on the first day of the

following trimester, and will last until an academic plan is developed to make up the credit(s) in question. Developing the plan will involve input from the student, Athletic Director/Activities Director, teacher, guidance counselor and parents. Once the plan has been developed and approved, eligibility will be restored. The procedures for yearlong and one-trimester courses are outlined below:

Loss of Credit in a Yearlong Class

If the credit lost is in a yearlong class, the student must maintain a grade of D- or better in this class for the entirety of the following trimester. The grade will be checked by the Guidance Office every three weeks (including mid-trimester). If the grade is listed as D- or better at these checks, the student will be eligible. If the grade is below D- at any of these checks, the student will be ineligible for the remainder of the trimester. Should the loss of credit be in the third trimester, the student must make up the credit in summer school, or in the following year's schedule.

Loss of Credit in a One-Trimester Class

If the student fails a one-trimester course, the student becomes ineligible until the appropriate replacement credit is added to his or her schedule. The grade will be checked by the Guidance Office every three weeks (including mid-trimester). If the grade is listed as D- or better at these checks, the student will be eligible. If the grade is below D- at any of these checks, the student will be ineligible for the remainder of the trimester.

If the credit lost is an elective credit, a replacement credit in the same department should be added to the schedule. The student remains ineligible until this is done. This class will be monitored in the same manner as described above. If there is no class to add in the same academic area, then the student's entire schedule will be monitored. At the grade checks, if any of the student's grades are below a D-, he/she becomes ineligible for the remainder of the trimester.

Academic Expectations

- The high school academic record for each student begins with course work attempted in ninth grade. Credit is not awarded for courses completed prior to this time unless students have successfully completed, as a part of an accelerated elementary school program, a course at Cretin-Derham Hall.
- Cretin-Derham Hall accepts responsibility to provide an academic program that maintains a high standard of excellence. Students are expected to take advantage of their academic potential and to apply themselves the very best they can in the classroom. Students who underachieve or fail courses may be asked to leave Cretin-Derham Hall. We believe that an education at Cretin-Derham Hall demands that students accept responsibility to achieve their potential; therefore, if a student is not progressing satisfactorily towards graduation, he/she may be asked to leave.
- A grade of incomplete must be made up within three weeks of the last day of the trimester or the "IC" will become an "F". Exceptions may be made through consultation with the teacher and the Principal.
- Summer school course work may be mandated for students who have failed a course during the

school year. Required summer school courses must be approved by the Guidance Department and/or the administration prior to enrollment if the student expects credit to be transferred to the Cretin-Derham Hall record. One trimester credit will be awarded for a passing grade in a semester course which has been approved by Cretin-Derham Hall. Continuation in a departmental sequence is subject to approval by the appropriate department.

- Aside from required summer course work, students are encouraged to participate in summer school courses of their choice. Successful completion of such courses may be listed on the student's transcript as enrichment. Students who wish to transfer a summer school course for credit status must petition the administration for approval prior to the start date of the course.
- In addition to academic experiences offered by Cretin-Derham Hall, students often choose to participate in formal instruction or experiential learning programs offered by other educational institutions and by the community. While enrichment activities are strongly encouraged, graduation credits will not be awarded for these experiences. However, the student transcript may cite participation in such programs as evidence of personal initiative, commitment to learning, and involvement in community affairs.

Grading

Grading policies are designed to facilitate maximum academic progress by every student at Cretin-Derham Hall. We encourage communication with parents/guardians, faculty, and students. Teachers send out progress reports at mid-trimester and at the end of each trimester. Parent/Teacher conferences are held three times a year during the 6th week of each trimester. Parents/guardians are encouraged to contact the teacher regarding their student's progress. Cretin-Derham Hall does not provide class rank as a part of the college application process. We honor all 10th, 11th and 12th grade students with cumulative grade point averages of 3.67 and above at a reception in May. The top ten students in each graduating class, including a class valedictorian and class salutatorian will be recognized at commencement ceremonies.

Weighted System for Grades

In addition to the College Prep level high school courses, some courses are offered at the Advanced and Honors level. Points are assigned for letter grades according to the following system:

Grade Point Average Equivalent:

<u>Letter Grade</u>	<u>Honors</u>	<u>Advanced</u>	<u>College Prep</u>
A	4.50	4.25	4.00
A-	4.17	3.92	3.67
B+	3.83	3.58	3.33
B	3.50	3.25	3.00
B-	3.17	2.92	2.67
C+	2.83	2.58	2.33
C	2.50	2.25	2.00
C-	2.17	1.92	1.67
D+	1.83	1.58	1.33
D	1.50	1.25	1.00
D-	1.17	0.92	0.67
F	0.00	0.00	0.00

An explanation of this system is given on the School Profile Sheet which accompanies each transcript. The School Profile Sheet or transcript will also include a guide for interpreting letter grades:

A= Excellent Academic Work

B = Above Average Academic Work

C = Average Academic Work

D= Below Average Academic Work

F = Failing Academic Work

Honors Courses

Students must have a cumulative 3.25 GPA in that subject area to be admitted to or to continue in an honors course. Students earning a B- or less may be asked to move to a different level. Students below a 3.25 cGPA could be admitted to honors courses with a recommendation from their current teacher in that subject area.

Honor Roll

An Honor Roll at the end of each trimester recognizes academic excellence shown by students.

- "The President's Honor Roll" is for students whose trimester GPA is 3.92 or higher.
- "The Gold Honor Roll" is for students whose trimester GPA is between 3.25 and 3.9199.
- "The Purple Honor Roll" is for students whose trimester GPA is between 3.17 and 3.2499.

Independent Study

Independent course work involves study beyond the scope of courses already offered in the school's curriculum. Courses taken on an Independent Study basis require exceptional initiative and responsibility by a student. Course content is to be covered by the student as an independent learner who receives guidance from a faculty member. Three unexcused absences from agreed upon meeting times with the faculty member may result in failure of the course. Prior to beginning an independent study, the student and faculty member must complete and return the Independent Study Request Form available in the Guidance Office. This form must be returned to the Guidance Office at the end of the trimester with the student's grade recorded. *Any Independent Study designed to waive a required course is highly discouraged.*

Academic Integrity

Overall Purpose

As a Catholic high school committed to Christian values and academic excellence, we believe that success is grounded in personal and academic integrity. Being a part of a faith community, we apply our values to make decisions carefully and to discern responsibly what is honest, fair, and respectful.

All members of the Cretin-Derham Hall community should model and support academic integrity in one another by treating all individuals, ideas, environments, and property with respect and dignity. Thus, we uniformly deplore cheating, lying, fraud, misrepresentation, plagiarism, copying other students' work, and other dishonest behaviors that jeopardize the rights and welfare of others.

Definitions

Students are responsible for understanding what constitutes academic dishonesty and plagiarism.

Cheating is defined as misrepresentation of one's own work and/or taking credit for the work of another. Cheating includes, but is not limited to:

- Copying someone else's work or allowing someone to copy your work.
- Representing someone else's work or ideas, in part or in whole, as your own, or creating work for use by another person. A work need not be identical to the original to be considered plagiarism. For more information on what constitutes plagiarism, go [here](#).*
- Using any unauthorized aid, including online foreign language translators and "cheat sheets," on a test or other form of assessment.
- Sharing or receiving information about an assessment. This includes verbal, non-verbal, written, and electronic means of communication.
- Handing in work for which you already earned credit in another course.
- Employing others to do your work.
- Downloading, purchasing, or stealing materials or files without authorization.

Note on Illegal Downloads:

Illegal downloads of any content, inclusive of music, video, text, images for personal or academic use is considered not only a serious ethical offense but is also an illegal action covered by piracy laws. We emphasize this offense in the Academic Integrity Policy because of the seriousness of the issue and it being incongruous with our mission and values. Under no circumstances should illegal downloading be done for school or personal pursuits or interests.

Consequences

Since CDH censures all forms of academic dishonesty, all acts of cheating are treated equally (i.e., there is no differentiation between homework, papers, tests, etc.). These consequences are not limited to cheating in one class; they are cumulative. Consequences are intended to hold students accountable for their actions while educating them about integrity.

First Offense

- Zero credit for work.
- Teacher notifies parents/guardians and Dean of Students, who will meet with student and note incident in student's behavior file.
- Student must complete all parts of an online Ethics class developed by the LLC staff within 2 weeks of the violation.

Second Offense

- Zero credit for work.
- Teacher notifies parents/guardians and Dean of Students. Dean will set a meeting with the student, a parent/guardian, a Dean of Students, and the teacher, when appropriate.
- Student may lose credit for the class and/or may be put on a contract.
- Students who violate the policy by plagiarizing must participate in a minimum of three meetings with an assigned CDH mentor (typically LLC staff) to gain a greater understanding of what to cite and how to do it properly.

Third Offense

- Zero credit for work.
- Teacher notifies parents/guardians and Dean of Students.
- Student presents his/her case in front of a committee composed of the Principal, a Dean of Students, and two teachers selected by the administration. The committee determines consequences, which may include loss of credit for the class, suspension, and/or dismissal from school.

Academic Lettering

- Students in grade 10 with a cGPA of 3.67 and above receive a certificate.
- Students in grade 11 with a cGPA of 3.67 and above receive a pin and a certificate to receive a letter.
- Students in grade 12 with a cGPA of 3.67 and above receive a medal.

Pass/Fail Course Option

Students must take at least six courses each trimester for a letter-grade; beyond the minimum six courses, the Pass/Fail option can apply. Juniors and seniors may choose to take a seventh elective course on a pass/fail basis. This does not apply to elective courses that fulfill the graduation requirements.

The student's Pass/Fail option must be declared officially by the tenth day of trimester classes, and the option may not be changed after this deadline. Written approval of teacher, parents, counselor and the principal is required.

A letter grade of " D- " or higher for a Pass/Fail course will be graded "Pass" and will earn one credit.

A letter grade of "F" for a Pass/Fail course will be recorded as "F," with no credit awarded. An "F" for a Pass/Fail course does affect the student's GPA, while a grade of "Pass" does not.

Post-Secondary Enrollment Options Policy (PSEO)

At Cretin-Derham Hall, the Post-Secondary Enrollment Options Program (PSEO) allows high school seniors to take college courses for both high school and college credit. The program provides curricular opportunities to students once they have exhausted the CDH course offerings in a particular subject area. Students may apply to the University of Minnesota and all of its branches, all of the Minnesota State Universities, Community Colleges, Technical Colleges, or any Minnesota private liberal arts college. College tuition, fees and textbooks are paid for by the State of Minnesota.

Students participating in this program are expected to be responsible, self-starting, and independent. Interested CDH students are required to contact Mrs. O'Connell in the CDH Guidance Office (651-696-3322) for more information and a complete orientation to the program.

Attendance

Students are expected to attend school every day; they are expected to arrive on time in the morning and remain until dismissal time. Studies indicate a significant correlation between student absences and achievement. **Students must arrive at school by 11:00 a.m. to participate in co-curricular and athletic events, fitness center, and practices.**

Assemblies are part of the school day. Attendance is required and appropriate behavior is expected. Inappropriate behavior during an assembly is as serious as inappropriate behavior during a class and will be dealt with by a Dean of Students.

Parent/Guardians may receive an automated voice message, email, or letter from the Deans' Office when there is an attendance issue. **If a parent/guardian is aware of a tardy or absence, they should contact the school to explain the absence. School personnel will determine whether the tardy or absence is excused or unexcused.**

Excessive Absence

At five or more absences the school will determine appropriate interventions which may include: detention, parent meeting and/or referral to the Truancy Intervention Program in the county in which they live. In addition, a student who misses five or more days per trimester for any reason may lose academic credit for that trimester. A student who is absent fifteen or more days during the school year may lose credit or may not be allowed to return to Cretin-Derham Hall in the fall of the next academic year. The administration reserves the right to make exceptions to this policy. **When a student reaches five consecutive or non-consecutive absences for any reason, parents must contact the student's counselor or dean.**

Illness and Appointments

If students are absent for the day because of illness, parents should call the Attendance Office at 651-696-3311 that morning between 7:00 a.m. and 9:00 a.m. Students who become ill after arriving at school must report to the Nurse's Office. Parents are contacted for permission to allow the student to go home.

Early dismissal and appointments during the school day for any reason are discouraged. If an

appointment must be made during school time, students must present a note at the Attendance Office signed by a parent requesting early dismissal. Notes are due by 8:00 a.m. on Regular Start days or 9:00 a.m. on Late Start days. The signed note is to include the phone number where the parent may be reached for verification. Telephone requests for early dismissal will be approved for emergency appointments only.

Planned Absence of More than One Day

Cretin-Derham Hall recognizes that there are times when students must be absent from school. In such cases, students, in conjunction with their parents, must make arrangements with the school at least two weeks in advance of the planned extended absence. Inability to make up missed work, including lectures, discussions, and labs, may affect the student's final grade. These days of absence will be counted in the trimester and yearly total. To obtain permission for such an absence, a student must:

- Obtain a form from the Attendance Office and complete the required information.
- Inform each teacher of the planned absence. The form is signed by each teacher.
- Have a parent/guardian sign the form. Students and their parents/guardians take responsibility for the effect of an extended absence on the student's grades.
- Have an administrator sign the form and return the form to the Attendance Office.
- Without this procedure, absences may be considered unexcused.

State Tournament Attendance

When Cretin-Derham Hall is a participant in State Tournaments during the school day, the administration will handle arrangements for attendance. Students are strongly discouraged from attending state tournaments and similar events during school time when Cretin-Derham Hall is not a participant. We may alter the daily schedule so that students have the opportunity to attend state competitions when CDH teams participate in the following sports:

- **Fall:** Football, Soccer, Volleyball
- **Winter:** Basketball, Hockey, Wrestling
- **Spring:** Baseball, Softball, Boys and Girls Lacrosse

We will honor the written request of parents/guardians to release individual students when CDH is competing in the following sports:

- **Fall:** Cross Country, Swimming, Tennis
- **Winter:** Alpine Skiing, Swimming, Gymnastics, Wrestling, Dance Team
- **Spring:** Golf, Tennis, Track and Field

Tardy to Class

All students will be in their assigned places when the bell rings to begin the period. When students are punctual, a better learning environment exists. Tardies will be recorded by the teacher. If a parent/guardian is aware of a tardy, they should contact the school to explain the tardy. School personnel will determine whether the tardy is excused or unexcused. Students who come to school after 7:50 a.m. must report to the Attendance Office. The tardy will be recorded and an admit slip will be issued to the student. An admit slip does not excuse the tardiness.

A student who misses more than 20 minutes of class will be considered absent and a detention will be issued. Three tardies to class or to school result in a student being issued detention. A student will receive an additional hour of detention for each incident of tardiness after the third tardy during each trimester. Once a student reaches six tardies to class or school in a trimester, he or she will be issued a Saturday detention for each additional tardy.

Unexcused Absences

Students are expected to attend all classes, study halls, lunch periods and other scheduled activities. Unexcused absence from school or any part of the school day is truancy. The consequences for truancy are: detention in the amount of time the student was truant, and assignment of an unexcused absence for classes missed. Parents may be contacted. Note: Oversleeping is not an excused absence.

Consequences for repeated truancy may include: additional detention time, an attendance contract that is signed by the student, his or her parents/guardians, and an administrator, loss of academic credit, and/or dismissal from school and a referral to appropriate law enforcement agency (i.e., Ramsey County Attorney's Office Truancy Intervention Program).

Three unexcused absences from any class may constitute failure and the student may be dropped from that class.

Cretin-Derham Hall neither sponsors nor approves of a "Senior Trip." There is no approved Senior Skip Day. Days absent from school for such an event will be unexcused.

Student Behavioral Expectations

By being created in the image and likeness of God, every human being has inherent dignity. This fundamental principle pervades Catholic tradition and is the basis for the policies presented in the student handbook. As human beings created by God, we must respect ourselves, one another, and creation. This genuine respect is based on what is common among human beings—inherent dignity—and what is different among them—ability, age, body type, economic status, ethnicity, gender, race, religion, and sexual orientation. Respect of one another amidst apparent differences is especially important. Finally, as stewards of God's creation, it is our responsibility to care for and respect all living things, including the earth and its resources. The topics and policies set forth in the student handbook are intended to guide Cretin-Derham Hall students through the daily and practical situations where respect of self, others, and creation is the cornerstone of our Catholic school.

Behavior On / Off Campus

Whether on or off campus and/or during summer months and school vacations, any behavior detrimental to the values and reputation of Cretin-Derham Hall may be subject to disciplinary review and actions.

Although Cretin-Derham Hall is a closed campus, we are an integral part of the local neighborhood. Students are expected to follow the same rules of conduct in the neighborhood as they do on campus. Disrespect, littering, loitering, loud music, smoking, etc. will not be tolerated in the neighborhood.

Cellular Phones, Pagers, Radios, and Other Electronic Devices

iPods, mp3 players, radios and similar devices may be used in study hall and cafeteria. These devices may be used during homeroom or class only when the teacher has given permission to do so. In addition, these devices may be used anywhere in the building before and after school. When using electronic devices during the school day in these approved situations, ear buds are required at all times. No ear buds or headphones are allowed during passing time or at any time during the school day in the hallways. Over the ear headphones are not allowed during the school day.

Cellular phones, cameras, and internet-enabled devices may only be used for educational purposes during class or homeroom, with teacher permission. These devices may be used in study hall, cafeteria

or during passing time for Internet and text messaging. Students may use cellphones for telephone conversations during passing time. These devices must be in silent mode at all times and may be used before and after school, except for locker rooms and restrooms. In accordance with MSHSL policy, these types of devices are not permitted in locker rooms. In the Library and Learning Center phones can be used for academic work, music and text messaging only.

Consequences for violating this policy are as follows:

- **First violation:** student must submit his or her electronic device to the Deans' Office for the duration of the school day for five days.
- **Second violation:** student must submit his or her electronic device to the Deans' Office for the duration of the school day for one month (not including school vacation days).
- **Additional violation(s):** may result in forfeiting the privilege of bringing any electronic device to school, parent/guardian conference, the student being placed on contract, detention time, and/or dismissal.

Chemical Policies and Procedures

a. Alcohol and Other Drug Use

Cretin-Derham Hall Policy on Alcohol and Other Drug Use supersedes, where inconsistent with, the MSHSL Bylaws on Chemical Eligibility.

Due to a high level of concern for the general wellbeing of the students, for their protection from the harmful effects of Alcohol and Other Drugs, and out of concern for the safety and reputation of the entire Cretin-Derham Hall community, the following policy and procedures have been adopted for violations of use on- or off-campus.

Possession and/or use of, or being under the influence of alcohol and/or other drugs by students in any form (except by prescription) is not permitted on campus, in the general vicinity of the school, before, during or after school, or at a school-sponsored activity. **Any student who consumes, possesses, sells, supplies, gives away, distributes or is under the influence of alcohol and/or other drugs during school hours may be subject to immediate dismissal.**

Definitions of Terms: To better understand this Policy, we have provided the following positions and definitions.

- **Alcohol:** includes any alcoholic beverage.
- **Alcohol and Other Drug Use:** includes to use or be under the influence of alcohol and/or controlled substances.
- **Documentation:** the confirmation of a violation of this policy, which includes, but is not limited to, self-report, parent report, police report, media coverage, electronic media picture(s), school official or other public official report.
- **General vicinity of the campus:** includes any part of the Cretin-Derham Hall building, Christian Brothers' residence, athletic fields or any school premises including parking lots, and the Safe and Drug Free Zone, which is a distance of 300 feet or one city block, whichever distance is greater, beyond the school property.
- **MSHSL:** is the Minnesota State High School League, which governs participation in CDH athletic and fine arts activities.
- **On Campus:** includes use that takes place in the **general vicinity of the campus.**

- **Other Drugs:** includes, but is not limited to, narcotic drugs, hallucinogenic drugs, amphetamines, barbiturates, marijuana and synthetic marijuana, designer, club drugs, inhalants, anabolic steroids, Bath Salts, illegal use of prescription drugs, Over-the-Counter drugs and/or products used for the purpose of altering mood, or any other controlled substance as defined in Schedules I–V of the Controlled Substances Act, 21 U.S.C. 812, including analogues and “look alike” or simulated drugs.
- **Possess:** means to have on one’s person, in one’s effects, vehicle, clothing, locker, backpack or in an area subject to one’s control.
- **School-Sponsored Activities Off Campus:** includes any school-owned vehicle or any vehicle used to transport students to and from school activities; property at any school-sponsored or school-approved activity event or function, including, but not limited to, field trips, retreats, service, school-sponsored trips or Co-Curricular / Athletic events.
- **School Year:** All CDH policies are enforced year round and are cumulative throughout the four-year course of study, beginning at the time a student completes all appropriate admissions and registration materials.
- **Steroids and Supplements:** includes any performance-enhancing nutritional supplements. In order to minimize the health and safety risks to students, maintain ethical standards and reduce liability risks, school personnel and coaches should never supply or recommend the use of any drug, medication or food supplement except when the student is under the care of a doctor and only as prescribed. Even natural substances in unnatural amounts may have short-term or long-term negative health effects. Students should not use creatine, androstenedione, ephedrine or other performance enhancing nutritional supplements as defined by the World Anti-Doping Agency (WADA) www.wada.ama.org except when the student is under the care of a doctor and only as prescribed by the medical professional and manufacturer’s recommendations.
- **Supply:** includes to sell, buy, give away, transfer, dispense, or host a gathering in which alcohol or any illegal controlled or mood-altering substance is knowingly present.

Policy Procedures:

- **Breathalyzers:** may be used, and/or parent(s)/guardian(s) called, if there is any suspicion of a student being under the influence of alcohol during school hours or at school events. Refusal by the student to submit to a breathalyzer test will be considered a violation of the Alcohol or Other Drug Use Policy and subsequently, those consequences will apply.
- **Eligibility:** means a student must be fully enrolled, in good standing and a bona fide student of Cretin - Derham Hall. A student who is under penalty of exclusion, expulsion or suspension, or whose character or conduct violates the MSHSL Student Code of Responsibilities and/or the CDH Code of Conduct, is not a student in good standing, and therefore shall be ineligible for a period of time as determined by the administration. MSHSL eligibility consequences must be served within one school year. Students are ineligible to participate in MSHSL or CDH Co-Curricular activities during a suspension. Athletic/Co-Curricular eligibility consequences begin when the student returns to school and is in good standing as defined in the MSHSL Student Code of Responsibilities.
- **Searches:** Administrators reserve the right to make periodic locker checks and searches; backpacks, purses, electronic devices, and anything else a student brings on campus are also subject to search. In addition, at random times throughout the school year, trained dogs will randomly search areas of the CDH campus, including the Safe and Drug Free School Zone. If chemicals are found in or on a student’s personal property including, but not limited to,

items found in a school locker, backpacks, purses, jackets, coats, or vehicles, CDH's Alcohol and Other Drug Policy will be enforced and law enforcement may be contacted.

- **Seeking Help:** Parents/students may seek out help and support regarding tobacco, alcohol and other drug use concerns from the school's guidance staff or Chemical Education Counselor. If a student does not have a violation and seeks help for a chemical, drug, and/or alcohol use problem, no disciplinary action will be taken at that time. Disciplinary action will be taken if a student violates the policy or if the school receives notification of use.
- **Urine Analysis (U.A.):** At the discretion of the school administration, a student may be required to submit to an immediate urine analysis at CDH, or a parent/guardian will be called to bring the student to be tested at a facility designated by the administration within 45 minutes of the request. Refusal by the student to provide a U.A., or submission of an altered U.A., will be considered a violation of this policy, and the appropriate Alcohol or Other Drug use consequences will apply.

Police and/or Other Verified Reports of Alcohol or Other Drug Use:

This includes any documented off campus reports received from police or other reliable sources regarding parties/gatherings or driving violations. This policy is enforced year-round during a student's tenure at CDH. When documentation (see definition) is received indicating that an alcohol and/or other drug violation has taken place off campus, the following steps will be taken:

First Offense:

1. A Dean of Students will contact parent(s)/guardian(s) of the student and schedule a meeting involving the student, parent(s)/guardian(s), a Dean of Students, and a guidance counselor.
2. The student must meet with an assigned CDH counselor a minimum of three times. A recommendation may be made that the student obtain a professional chemical dependency evaluation. The parent(s)/guardian(s) and the student must agree to release the results of the evaluation to the school. Failure to obtain an evaluation or to follow the recommendations of the agency may result in automatic dismissal from Cretin-Derham Hall.
3. The student must complete a minimum of 30 hours of community service within 90 days of the date of the parent-school conference. The community service hours should be documented and include a contact name and phone number for the school administrator if verification is needed. Forms are available in the Deans' Office.
4. The student must meet with his or her guidance counselor a minimum of one time per week for 90 days.
5. Students who participate in CDH co-curricular and/or athletic activities must meet with the Activities Director and/or Athletic Director to receive additional required consequences as outlined in the handbook. Students not involved in CDH co-curricular and/or athletic activities will discuss any additional consequences with the Deans.
6. If a student has a chemical violation, he/she may be denied participation on a school trip. Advisors/chaperones of the trip have the authority to deny a student's participation on the trip.
7. Failure to attend weekly meetings or to complete all of these steps within 90 days may result in additional consequences, including dismissal from Cretin - Derham Hall.

Second Offense:

1. See Steps #1-7 outlined above.
2. The student will be required to attend an approved diversion or chemical awareness

- program and provide documentation of attendance to a Dean of Students within 90 days.
3. Additional consequences for a second offense of this policy, on or off campus, may include, but are not limited to, probation, completion of an outside assessment, or dismissal.

Third Offense: The consequences of a third offense of this policy, on or off campus, may result in immediate dismissal.

School-Sponsored Activities On or Off Campus Policy

This includes violations that occur on or off campus, in any school-owned vehicle or in any other vehicle used to transport students to and from school activities; off school property at any school-sponsored or school-approved activity, event or function, including, but not limited to, field trips, retreats, service, school-sponsored trips or Co-Curricular/Athletic events.

When documentation is received indicating that an alcohol and/or other drug use violation has taken place on campus or in the general vicinity of campus, or off campus on a school sponsored activity, the following steps will be taken:

1. The student may be suspended for up to three (3) days out of school. Students will be sent home in the care of their parent(s)/guardian(s). Students are ineligible to participate in MSHSL or CDH Co-Curricular activities during a suspension. Athletic/Co-Curricular eligibility consequences begin when the student returns to school and is in good standing as defined in the MSHSL Student Code of Responsibilities.
2. The incident may be reported to law enforcement, as appropriate.
3. The student will be readmitted only after participating in a parent-school conference involving the student, parent(s)/guardian(s), a Dean of Students, and a guidance counselor. The results of the conference could be a recommendation that the student obtain a professional chemical dependency evaluation. The parent(s)/guardian(s) and the student must agree to release the results of the evaluation to the school. Failure to obtain an evaluation or to follow the recommendations of the agency and/or conference may result in automatic dismissal from Cretin-Derham Hall.
4. See Steps #2-9 under "Police and/or Other Verified Reports of Alcohol or Other Drug Use, First Offense."

Second Offense:

1. See Steps #1-4 outlined above.
2. Additional consequences for a second offense of this policy, on or off campus, may include, but are not limited to, probation, completion of an outside assessment, or dismissal.

Third Offense: The consequences of a third offense of this policy, on or off campus, may result in immediate dismissal.

b. Co-Curricular / Athletic Eligibility Consequences

Students participating in Co-Curricular and/or Athletic activities at Cretin-Derham Hall are held to high standards and will demonstrate respectful and responsible behavior at all times for continued participation. Cretin-Derham Hall will follow the MSHSL penalties for Chemical/Alcohol/Tobacco and Harassment Violations. The rules outlined below apply to *all* CDH activities and athletics, including those that are not MSHSL-sponsored activities.

CDH has rules in addition to the MSHSL policy that will be enforced. Further, a team/group/club,

in conjunction with the coach/advisor, may increase the severity of the penalty or suspend a student for the season. The coach/advisor shall clearly communicate any additional consequences to parents and students prior to the season. Individual groups and teams may have expectations that go further than the MSHSL rules. See moderators/coaches for specifics.

Student participants understand that eligibility rules apply twelve (12) months of the year, beginning when he/she registers to attend CDH, whether he/she is currently participating or not.

General Eligibility

In order to be eligible for regular season and MSHSL tournament competition, a student must be fully enrolled as defined by the Minnesota Department of Education and a bona fide member of his or her high school in good standing. A student who is under penalty of exclusion, expulsion or suspension, whose character or conduct violates the Student Code of Responsibilities and is not in good standing, shall be ineligible for a period of time as determined by the principal.

Student Code of Responsibilities

As a student participating in my school's interscholastic activities, I understand and accept the following responsibilities: 1. I will respect the rights and beliefs of others and will treat others with courtesy and consideration. 2. I will be fully responsible for my own actions and the consequences of my actions. 3. I will respect the property of others. 4. I will respect and obey the rules of my school and the laws of my community, state and country. 5. I will show respect to those who are responsible for enforcing the rules of my school and the laws of my community, state and country.

Penalties

First Violation: After confirmation of the first violation, the student shall lose eligibility for the next two (2) consecutive interscholastic contests or two (2) weeks of a season in which the student is a participant, whichever is greater. No exception is permitted for a student who becomes a participant in a treatment program.

Second Violation: After confirmation of the second violation, the student shall lose eligibility for the next six (6) consecutive interscholastic contests in which the student is a participant or three (3) weeks, whichever is greater. No exception is permitted for a student who becomes a participant in a treatment program.

Third and Subsequent Violations: After confirmation of the third or subsequent violations, the student shall lose eligibility for the next twelve (12) consecutive interscholastic contests in which the student is a participant or four (4) weeks, whichever is greater. If after the third or subsequent violations, the student has been assessed to be chemically dependent and the student on her/his own volition becomes a participant in a chemical dependency program or treatment program, then the student may be certified for reinstatement in MSHSL activities after a minimum period of six (6) weeks. Such certification must be issued by the director or a counselor of a chemical dependency treatment center.

Denial Disqualification: A student shall be disqualified from all inter-scholastic athletics for nine (9) additional weeks beyond the student's original period of ineligibility when the student denies violation of the rule, is allowed to participate and then is subsequently found guilty of the violation.

Additional Information Related To All Offenses:

- During the ineligible period, a student must still attend practices, support the team, and participate to the fullest extent possible.
- A student must be in good standing, and able to be placed in the game, meet or contest except for the penalty being served. (Students who are not in good standing due to suspension, expulsion, injury, illness, family vacations, etc. are not able to be placed in a game, meet or contest and are therefore not able to count those contests toward the penalty).
- If a student is not on the original sign-up sheet for a sport or co-curricular organization the first day of practice or meetings, the student may not sign-up for a sport or co-curricular organization if it has been determined that a MSHSL Eligibility violation has occurred.
- Penalties for Co-Curricular Activities vary based on the nature of the activity and whether the activity is linked to an academic course; however, penalties align with the above rules to the extent possible. Details are outlined here and are available in the Activities Director's Office.
- Penalties shall be progressive and consecutive beginning with the student's first participation in a League activity and continuing through the student's high school career.
- The student must complete the full season of practices and eligible contests/events in which he/she is serving the eligibility consequences in order to be eligible for the next season of competition. If the student does not complete the full season of practices and eligible contests/events, the penalty must be served in its entirety the next season of competition. Partial completion of consequences does not count toward another season unless the season ends. If an injury occurs, the student must complete season participation as a team member, as defined by the coach, in order to complete their loss of ineligibility consequence.
- If the loss of eligibility is not completed by the end of the athletic/co-curricular season, the remaining portion of the loss of eligibility will be carried over into post-season athletic/co-curricular competition. Loss of eligibility will be carried over into the next athletic/co-curricular season of participation if the ineligibility period is not completed with additional post-season competition. (See the list of Athletic/Co-Curricular opening season dates and last dates to join if applicable).
- Students must serve an athletic and activity consequence if involved in both. Consequences may be served concurrently. Consequences will be served during the current season, or the next season of competition for one calendar year from the date of the violation.
- If a student is involved in two sports and/or co-curricular activities during a season, the penalty will be applied to both sports/activities and can be served concurrently.
- If a student is transferring to Cretin-Derham Hall and has a violation at their previous school, this violation must be served during his/her enrollment at Cretin-Derham Hall, prior to participating in CDH activities.
- Fair Hearing Procedure: A student or parent wishing to contest a school's determination of ineligibility for a student has 10 calendar days in which to appeal the school's decision. The appeals process includes an appeal before a hearing panel at the school and the right, if desired, to appeal that decision to the League's Board of Directors. An independent hearing examiner will hear the appeal and make written findings of fact, conclusions and a recommendation for the Board of Directors following the hearing. The Board's decision is final.

c. Safe & Drug Free Zone

Cretin-Derham Hall school grounds and property are drug free zones. Signs are posted around the campus indicating the Safe & Drug Free School Zone. Posted areas are subject to search by CDH personnel and/or Metro Canine Detection Services.

d. Tobacco / Nicotine Policy

The CDH Tobacco policy supersedes, where inconsistent with, MSHSL Bylaws on Chemical Eligibility.

Cretin-Derham Hall is a tobacco-free school. **Tobacco** includes any kind or form of tobacco, nicotine products, e-cigarettes, cigarettes, cigars, chew, snuff, plugs, etc., prepared in such manner as to be suitable for chewing or smoking in a pipe or other tobacco-related devices. The use or possession of tobacco in any form by students is not permitted on the school grounds or in the general vicinity of the campus. The use or possession of tobacco is not permitted at any off-campus school sponsored events, such as, but not limited to, athletic events, dances, graduation, retreats, school trips, etc. This policy also addresses off-campus underage tobacco use violations. Consequences for a violation of this policy are as follows:

First Offense

1. Have their parent(s)/guardian(s) notified by a Dean of Students and may be suspended for

- up to 2 days.
2. Participate in a minimum of two meetings with an assigned CDH counselor, who may recommend an outside assessment. Failure to attend these meetings, or to get and share the results of an assessment with the school, will result in additional consequences.
 3. Be assessed for the appropriate CDH Athletic / Co-Curricular “eligibility consequences” defined in this policy.

Second Offense

1. May be suspended for up to 3 days.
2. Be assigned 30 hours of community service to be completed within 90 days. The community service hours should be documented and include a contact name and phone number for a Dean of Students.
3. Be required to complete a tobacco awareness/smoking cessation program approved by the Deans of Students. Documentation of completion of this program must be provided in writing to the Deans of Students within 30 days of parent notification of the offense.
4. Additional consequences as assigned by a Dean of Students.

Third Offense: Consequences may include suspension, being placed on contract, further chemical treatment, additional community service, and/or dismissal from Cretin - Derham Hall.

Procedures for Students with Head Injuries / Diagnosed Concussions

When a student sustains a head injury, it is important that the student, parents/guardians, guidance counselor, nurse, teachers, physician, and athletic trainer (if applicable) all work together to help the student recover. Frequent communication is essential throughout the recovery process. The following is meant to be a guideline only, as each injury and recovery must ultimately be handled on an individual basis.

All student-athletes are encouraged to take the **ImPact Baseline Test** once every two years. In the event of a concussion, this information can be used in evaluation and recovery. CDH provides this service free of charge at appointed times. See the CDH athletic website for details. **Note:** Please allow 24 hours notice when requesting a printout of a Baseline Test.

Reporting:

1. If a student sustains a head injury while participating in athletics/activities at CDH, the athletic trainer will assess the student and contact parents/guardians. If a concussion is indicated, the athletic trainer will contact the nurse and the student’s guidance counselor. The athletic trainer may also recommend that the student be seen by a physician.
2. If a student sustains a head injury outside of school, parents/guardians should make an appointment with a physician right away.
3. Regardless of where the concussion was sustained, in order to receive accommodations from the school, the nurse must receive the following two items (available on the CDH website):
 - a. Medical Release of Information: signed by parents/guardians
 - b. Recommended Accommodations*: filled out by physician (*To be used if clinic does not have its own comprehensive form)
4. Once the nurse receives these two items, she will put the student’s information into a confidential database and notify the student’s guidance counselor.

Protocol for Students with Diagnosed Head Injuries:

1. When the student returns to school, he/she should report to the nurse's office before beginning classes.
2. When the student returns to school, he/she will meet with his/her guidance counselor to discuss the plan for accommodations. Accommodations will be made using the guidelines provided by the student's physician.
3. The guidance counselor will communicate the accommodations to parents/guardians and to the student's teachers.
4. The guidance counselor will continue to meet with the student 1-2 times per week until the student is symptom free in order to provide support and adjust accommodations as needed.
5. The student must also meet with the school nurse once a week in order to track symptoms. The nurse may work with the student's physician to determine when the student is symptom free and accommodations will end.
6. The administration may become involved if a schedule change is required.

Student-Athletes:

1. If a student went to a doctor for the initial diagnosis, the school must receive a document from the student's physician giving him/her clearance to play before the athlete can return to the team. At that time, the athlete will begin a Return-to-Play Progression as established by the athletic trainer.
2. A student must be symptom-free at rest before he/she can begin the Return-to-Play Progression. This progression will be established and monitored by the athletic trainer. Once symptom-free, a student may retake the ImPact Baseline Test.
3. In accordance with Minnesota State High School League rules, an athlete must participate in a full contact, full practice before he/she can compete in a game/match.
4. When a student is cleared to Return-to-Play, no additional academic accommodations will be made; however, students may still need extended time for outstanding work, as determined by Guidance, the student, and individual teachers.

Dance Guidelines

By purchasing a ticket to a dance, students agree to abide by these guidelines:

1. Dances will start at 8:00 PM and end promptly at 11:00 PM unless otherwise advertised.
2. All students planning on attending a dance must arrive no later than 9:30 PM. Students arriving after 9:30 PM will not be allowed to enter for any reason. Students are free to leave the dance at anytime; however, if they leave, they are not allowed to return to the dance.
3. Students will need to show their school identification card to be admitted to dances.
4. Dances are for enrolled Cretin-Derham Hall students only. Occasionally there are dances that guests may attend. All guests must be registered in advanced. Guests must be a high school student or one year out of high school. The Cretin-Derham Hall student accepts responsibility for the guest's behavior. Dance registration forms are available in the Main Office. Students who have been expelled from Cretin-Derham Hall may not attend Cretin-Derham Hall dances.
5. Purses, bags, and jackets must be turned in to the coat check during the dance, and are subject to search.
6. All students and guests may be breathalyzed as they enter the dance. If a student tests "positive," his or her parent(s)/guardian(s) will be contacted, and a responsible adult will be required to pick up the student. St. Paul Police Officers and Cretin-Derham Hall personnel supervise all dances. If a student is in violation of MN stat. 340A.503 regarding the consumption of alcohol, a ticket may be

issued and the school policy on chemical issues will be enforced. Refusing to undergo a Breathalyzer is an automatic chemical violation.

7. Students will not be admitted to school dances if they are not dressed appropriately. The adult supervisors at the dance will make a determination of “appropriate.” The basic guideline for school dances is a code of modesty for all students. Cleavage and under garments must be covered. No revealing or tight clothing including mini-skirts, midriff tops, halter tops, tube tops, tank tops, tight pants, tight shirts, revealing shirts, shear shirts, and open back shirts. Low riding pants or hip huggers are also not permitted. Sleeveless tops may be worn; however, no tank tops or spaghetti strap tops are permitted. School uniforms will be available for students to wear if needed.
8. Students may not wear sunglasses, masks or other face coverings at dances.
9. Dress codes for semi-formal and formal dances, such as homecoming and prom, are exceptions; however, a code of modesty is still expected.
10. Students will not be allowed to dance in a suggestive or profane manner. Displays of intimacy and affection, which contain a suggestion of sexual movements, even between consenting individuals, are inappropriate to the dance environment. If inappropriate dancing occurs, the music will be stopped and a Dean will make an announcement. If inappropriate dancing continues, gym lights will flash. A third warning will be to increase the lighting in the gym and a fourth warning will be full lighting in the dance area. Students are welcome to stay at the dance, but the lights will remain on for the remainder of the dance.
11. Cretin-Derham Hall reserves the right to censor any music that is deemed inappropriate, profane, or promoting illegal activity.
12. Students will be removed from the premises for displaying behavior or clothing that is deemed by the supervisors/police to be obnoxious or inappropriate.
13. A violation of any of the above may result in other school consequences.
14. Any student who has been expelled, or withdrawn from CDH for disciplinary reasons, may not attend CDH dances, even as a guest of a current CDH student.

Disciplinary Interventions

Every disciplinary intervention is meant to encourage a change of attitude and/or behavior.

a. Contracts

Academic Contract: Students are placed on an academic contract when they are not working up to their academic potential and /or not progressing towards the requirements for graduation as outlined in the Curriculum Book. The terms of the academic contract are based upon a counselor’s recommendation. Failure to adhere to the terms of the contract may result in dismissal from Cretin-Derham Hall. Students who are not making progress towards graduation may be asked to leave Cretin-Derham Hall.

General Contract: Students are placed on a general contract for attendance or disciplinary reasons. Details of the contract are determined by a Dean of Students. The contract is reviewed at the end of each trimester. If a student successfully completes the probation period, the student is reinstated in good standing. A student who violates the terms of the contract may be subject to dismissal, as determined by the Deans of Students.

Social Contract: Students may be placed on social contract when they violate Cretin-Derham Hall policies. Students may not participate in or attend extracurricular activities such as dances, plays, athletic events, concerts, or other school sponsored activities, or publicly represent Cretin-Derham Hall during this probation period.

b. Detention

Students receive detention for minor disciplinary infractions. Detentions must be served within one week of a violation. All detention hours are assigned by the Deans of Students. Detention is held on Fridays from 3:00-4:00 pm and from 8:00-11:00 a.m. on Saturdays. Detention time will be spent in service to Cretin-Derham Hall. Student activities and jobs are not excuses for missing detention. Missed detentions will result in a Saturday detention. Missed Saturday detention will result in a parent conference.

c. Dismissal from Class

If a student is dismissed from a class because of disruptive or disrespectful behavior, the student must report to the Deans of Students' Office. A Dean will determine appropriate consequences. To be reinstated to class, a meeting with the student, teacher and a Dean of Students may be required. If a second dismissal from the same class occurs, the student will not be admitted to class until a conference is held with a Dean of Students, the teacher, and the student's parent(s)/guardian(s).

A student who is dismissed permanently from any class for serious reasons may lose credit for the class. A meeting with the student, parent(s)/guardian(s), teacher, and a Dean of Students will follow.

d. Dismissal from Cretin-Derham Hall

Students may be dismissed for serious offenses, violation of probationary status, academic performance below the student's potential, and/or repeated disciplinary infractions. A Dean of Students will notify the student's parents/guardians of this action. Students who are dismissed from Cretin-Derham Hall may not be on the Cretin-Derham Hall campus without prior approval from a member of the administration. This includes all athletic and co-curricular events as well as dances (on or off campus).

e. Suspension

Students involved in serious or repeated disciplinary infractions may be suspended, in-school or out-of-school. Students are expected to complete any assignments that are missed during the suspension period and credit will be given.

Eighteen-Year-Old Students

Any student who has reached the age of 18 is required to comply with all rules and policies outlined in the handbook. During the time a student is enrolled at Cretin-Derham Hall, he/she will reside at home with his/her parents or a guardian who is mutually acceptable by the parents and by the school administration.

Fighting

Any students involved in a fight on or off campus involving physical contact and/or intense verbal exchange may be suspended or dismissed from Cretin-Derham Hall. Students may also be required to meet with appropriate staff for conflict resolution.

CDH Harassment Policy

The mission and values of Cretin-Derham Hall are anchored in the fundamental principles of Catholic Social Teaching, i.e., that every person is created in the image and likeness of God and is deserving of

respect and safety. In this context, Cretin-Derham Hall is committed to providing a learning environment free from harassment including but not limited to race, religion, gender, ethnicity, body type, ability, age, sexual orientation, or other incidents deemed to be harassment by the administration. Any student, faculty, or staff person who undermines the inherent dignity and threatens the safety of another person is not simply in breach of this policy, but also violates the basic tenets of the Catholic faith community.

Harassment is determined by the administration (Principal, Assistant Principal, Dean of Students) not the intentions of the one who has been accused, whether the act is verbal, written, physical, sexual, psychological or cyber. Harassment includes, but is not limited to, unwanted and unwelcome words, actions, gestures, or symbols that make the recipient feel uncomfortable. Harassment also includes offensive, threatening or intimidating speech or actions made toward another person(s) or through a third party.

Harassment may include, but is not limited to, the following:

- **Abusive Relationships:** any relationship involving any type of harassment by an individual or group toward another individual or group, regardless of whether requests to cease such contact have been made. This includes contact that occurs both in and outside of school. Cretin-Derham Hall reserves the right to interview students, involve students in a counseling process, contact parents, and require students to participate in a contractual process which may include, but is not limited to, on-going participation in groups, no contact contract, and one-to-one counseling. If deemed necessary or required, appropriate legal authorities may be contacted. School administration also reserves the right to refuse attendance to students not abiding by these provisions.
- **Cyber bullying/Cyber Harassment:** when a student or adult is tormented, threatened, humiliated, embarrassed, intimidated or otherwise harassed by another using any type of electronic media, including, but not limited to, the internet, interactive and digital technologies or phone. Behaviors include cruelty, taunting, name calling, put-downs, intimidation, slander and posting of threats of any kind toward another person or group, whether it occurs in or outside of school. This form of harassment includes, but is not limited to, flaming, denigration, impersonation, outing and trickery, posting inappropriate images of self and others, and/or cyber stalking.
- **Hazing:** any activity undertaken by a student or group of students towards another student or group of students with the sole purpose of “initiation” into Cretin-Derham Hall, a student organization, or a team. This includes, but is not limited to, any physical, sexual, verbal or psychological abuse that is demeaning, harming, or embarrassing anyone as a “rite of passage.”
- **Physical:** physical force or touch that is unwanted, that shames, hurts, alienates, threatens, intimidates or attacks another person. This form of harassment includes, but is not limited to, stealing another’s possessions and damaging or destroying another’s property.
- **Psychological:** humiliating or abusive behavior that lowers a person’s self esteem or causes him/her torment or emotional harm. This can take the form of verbal or written comments, actions or gestures.
- **Racial:** the harassment of an individual or a group because of their race or ethnicity.
- **Religious:** the harassment of an individual or group because of their religious beliefs and/or practices.
- **Sexual:** physical, psychological, or any behavior that offends, shames, taunts, hurts, threatens, intimidates, dismisses, and ultimately violates the gender, sexual identity, or sexual orientation of another person. This form of harassment includes, but is not limited to, unwanted sexual

advances, sexual gestures, sexual jokes, sexual comments, sexual symbols, inappropriate questioning, unwanted and unwelcome touching, inappropriate remarks about one's clothing, body type, gender, orientation, or sexual activity, displaying pornography, and/or promoting rumors of a sexual nature.

- **Gender Harassment:** is a form of sexual harassment that consists primarily of repeated comments, jokes, actions, and innuendos directed at a person or group because of their gender or sexual orientation.
- **Sexual Abuse:** physical, psychological and other behavior that abuses the gender, sexual identity, or sexual orientation of another, especially a child or vulnerable adult, by any person responsible for their care (cf. Minnesota Criminal Sexual Conduct Code).
- **Sexual Exploitation:** sexual, physical and/or emotional contact between an adult member and a student, regardless of who initiated the contact (the employee or the student) (cf. Minnesota State Laws and Statutes).
- **Verbal:** face-to-face interaction using offensive speech, i.e., taunts, name calling, put-downs, intimidation, slander and threats of any kind toward another person or group. This form of harassment includes, but is not limited to, offensive speech made toward another through a third party.
- **Written:** written statements that offend, taunt, name call, put down, intimidate, slander or threaten another person or group. This form of harassment includes, but is not limited to, written statements made toward another through a third party (cf. Cyber bullying).

Reporting Harassment:

Cretin-Derham Hall seeks to provide a safe and respectful learning environment for everyone. If a student has experienced harassment in any way, he or she is encouraged to tell a trusted faculty or staff person. A faculty/staff member is obligated to tell an administrator. Having proof is an important part of reporting harassment; therefore, individuals should save e-mails, text messages, voice mail messages and other documentation. As difficult as it can be to tell another person, reporting the experience is the first step toward reestablishing a safe and respectful environment for that person and the school. Thus, if a student has received some form of harassment, (inclusive of the forms cited above, but not limited to), or has knowledge of anyone (student, faculty, staff, visitor, volunteer or group) involved in a form of harassment, the student is encouraged to report it.

How To File A Report:

The initial report may be verbal or written. Reporting is intended to be non-threatening for the one reporting the incident(s). He/She is strongly encouraged to give the information to a trusted adult. The person taking the report cannot promise confidentiality, and a faculty/staff member is obligated to tell an administrator immediately. All reports, including verbal reports, will be documented.

No Retaliation:

Retaliation of any form will not be tolerated. The range of discipline is determined by the administration and may include, but is not limited to, detention, parent conference, loss of co-curricular/athletic eligibility, loss of ability to participate on a school trip, suspension, and/or expulsion.

Investigation and Procedures of Discipline:

The school administration will notify the parents/guardians of the student(s) involved and will investigate in a confidential manner to the extent possible. At the discretion of the administration, a Harassment Board of Review Committee may be formed to investigate the report, and will do so in a

confidential manner to the extent possible. Whether involving just the school administration or a harassment committee, certain actions and disciplinary procedures will be followed depending on the severity, frequency, and impact of the offense. The range of discipline will be determined by the administration and may include, but is not limited to, detention, parent conference, suspension, loss of co-curricular/athletic eligibility, loss of ability to participate on a school trip, and/or expulsion.

Harassment Board of Review Committee:

In situations where the information gathered in the investigation differs from the perspective of the victim(s) and/or accused, the school may elect to convene a Harassment Board of Review Committee. The role of the Harassment Board of Review Committee would be to review the information gathered by the administrator that handled the initial investigation and provide recommendations. The Harassment Board of Review Committee will consist of several administrators, several appointed board members, and faculty members selected by the administration. The Board will make recommendations to the administration. The Principal may accept or overturn this recommendation.

Cretin-Derham Hall iPad Policy

This document addresses policies and procedures related specifically to Apple iPad tablet devices, **whether student-owned or issued to the student by CDH**. In conjunction with Cretin-Derham Hall's *Technology Acceptable Use Policy*, it establishes the guidelines for acceptable use of iPads for CDH community members. This policy is based on a philosophy of

- Upholding the mission and values of Cretin-Derham Hall;
- Protecting the safety and security of faculty/staff and student information;
- Maintaining the integrity of the Cretin-Derham Hall computer system;
- Facilitating the use of technology tools for teaching and learning.

Cretin-Derham Hall is committed to educating students for the 21st century. By providing devices to our students they will have continual access to rich learning resources and will be taught multiple literacies to become responsible, digital citizens. The iPad devices will serve as a tool to enhance students' critical thinking, communication, collaboration, and creativity skills. The CDH Administration may introduce new rules and procedures to this policy, or modify existing ones, and reserves the right to interpretation at any time.

A. General Information and Use

A.1 Required documentation

Cretin-Derham Hall will issue an iPad to each student contingent on submission of a signed *CDH 1:1 iPad Program User Agreement*. Students may opt to use a personally-owned iPad2 or higher in lieu of using a CDH-issued iPad, contingent on Submission of a signed *CDH 1:1 iPad Program User Agreement*.

A.2 Conditions of use

Student use of iPads is a privilege and its use is conditional upon compliance with the school's Technology Acceptable Use Policy, copyright compliance, and other policies and procedures outlined in this manual. Cretin-Derham Hall retains ownership of iPads, cases and power cords issued to students.

A.3 Daily Use

iPad devices are intended for school use each day, both for classroom work, and for delivery of school messages, announcements, calendars and email. Students are responsible for checking communication from their teachers and school before the start of each school day, and during the last period of the day. Their last period teacher will determine whether that check takes place at the beginning or the end of the period.

Students are required to bring their fully charged devices to school each day. If they fail to bring their iPad, or have an uncharged device, they are still responsible for the completion of all coursework in a timely manner. Students are not to lend or borrow iPads for any reason. Failure to have a usable device at school may result in student detention.

A.4 Security and Privacy

Students are expected to

- Refrain from attempting to use another student's or teacher's assigned iPad, subscriptions, log-ins, files, or personal information.
- Refrain from sharing login information such as passwords, and from logging in as another person.
- Refrain from giving out personal information, such as name, address, photos, or other identifying information online.
- Refrain from removing or attempting to remove asset or identification tags on hardware or cases.

A.5 Screensavers and Background Images

Any image or media on student iPads must reflect the mission and values of CDH. Any image or media deemed inappropriate by CDH may not be used.

A.6 Passwords

Each student device must be protected with a four-digit password. Passwords must be kept confidential. Students are required to unlock the iPad at the request of any staff member, or parent/guardian. Parents/guardians are encouraged to regularly check the content of students' iPads.

A.7 Printing

Students are encouraged to receive and submit documents electronically. In those cases where printing is required, students are allowed to wirelessly print from the iPads to designated printers within CDH.

A.8 Internet Access

Students will have Internet access while on the CDH campus. Students are allowed to set up wireless networks on the devices for use at home.

A.9 Managing Files and Saving Work

It is the responsibility of the user to back up the device on a regular basis, using cloud storage or another method. When an iPad needs to be re-imaged, the Technology staff will not back up or save items stored on the iPad. Mechanical failure, accidental deletion, iPad reimaging, etc. are unacceptable reasons for late schoolwork. Students may be asked to delete personal apps, music, photos, etc., if storage space on the iPad is needed.

A.10 Food and beverages

The iPad may not be used during lunch in the cafeteria, or anywhere else where food and beverages are being consumed.

B. Acceptable Use Policy

All components of the Cretin-Derham Hall Student Technology Acceptable Use Policy apply to the use of iPad devices, whether personally owned or part of the CDH iPad program.

C. Care and Maintenance

C.1 General Care

Students are expected to care for their iPad both at school and at home. iPads should not be subjected to excessive weight, temperature extremes or direct sunlight. To prevent damage, cords and cables must be carefully inserted into the device.

C.2 iPad Screen

Device screens can be damaged if subjected to rough treatment. iPads must be in the school issued case at all times. Even with this protection, caution must be exercised. The screens are particularly sensitive to damage from excessive pressure on the screen. This pressure can occur with an overloaded backpack. Please be mindful that devices are sensitive to weather conditions and should not be stowed in extreme weather conditions such as heat, cold, or rain.

- When the iPad is being transported in a backpack, exercise caution in loading the iPad and handling the backpack.
- Do not lean on the top of the device.
- Do not place anything on or near the device that could put pressure on the screen.
- Do not place anything in the school issued case that will press against the cover.
- Clean the screen with a soft dry cloth or anti-static cloth without cleaning solution.
- Do not bump the device against lockers, walls, car doors, floors, etc, even when contained in a backpack.

C.3 iPad Protective Case

The iPad comes with a school issued case, which must remain on the iPad at all times. The purpose of the case is to protect the iPad, especially while the iPad is being transported. When not in use, closing the iPad case will save battery life and protect the screen. Even with the protective case, there is no guarantee of screen protection. CDH-provided iPads and protective cases are the property of CDH, and must not be defaced in any way.

C.4 iPad Battery

The iPad should be charged, using the provided wall charger, and brought to school fully charged each school day. A fully charged battery will typically last for an entire school day's use. It is the student's responsibility to charge the battery each night.

Failure to charge the iPad battery may result in a student's inability to use the iPad during the school day. As stated in A.3, students are responsible for completion of assignments in a timely manner. Failure to bring a usable iPad to class may result in a detention.

C.5 Loaner Devices

Subject to availability, loaner iPad devices may be issued to students when they leave their CDH-provided device for repair in the Technology Help Center. Loaner devices are not available to those using a personally owned iPad.

D. Loss, Theft, Damage, Student Withdrawal

D.1 Loss or Theft

If a CDH-owned iPad is lost or stolen, it must be reported to the technology staff immediately. If the iPad is found, this should be reported to the technology staff immediately. It is the responsibility of the student to recover or replace the lost iPad.

D.2 Damage

If your CDH-owned iPad fails to work or is damaged, report the problem to the technology department as soon as possible. Do not attempt to repair the iPad or to gain access to the internal electronics. iPad repair/ replacement options will be determined by the CDH technology staff. You may be issued a temporary iPad until your iPad is working properly or replaced (see C.5).

D.3 Damage to operating system

Any changes to or altering of the device's original operating system, including jailbreaking, is strictly prohibited. Any case of jailbreaking will result in disciplinary action, which may include suspension from classes and financial restitution to the school for damages incurred.

D.5 Student Enrollment/Withdrawal

Students who terminate enrollment at CDH for any reason must return their CDH-owned tablet device, case, and power cord to the CDH Technology Department on the date of termination. Devices must be

returned in good, working condition. It is the sole discretion of CDH to make determinations on device condition. If a student fails to return the device, case and/or power cord in good working condition at the end of the school year or upon termination of enrollment at CDH, a theft report may be filed with the St. Paul Police. The student will also pay the replacement cost of the device and/or missing items. Furthermore, families are responsible for any damage to the device, not covered in CDH's Insurance Plan.

E. Web/Internet

Cretin-Derham Hall's Acceptable Use Policy applies to all iPads when they are accessing the Web or Internet.

F. Apps/Downloads/Music/Games

F.1 CDH Required Apps

All students must install CDH-required apps. After careful review for educational appropriateness, some apps for ages 17 and above may be required. A list of CDH approved apps will be available on the CDH website. Students must update these apps, as needed. The use of apps, including music and texting, while at CDH is up to the classroom teacher or personnel supervising a designated area or event.

F.2 Personal Apps, Music and Games

iPads are being implemented for educational activities, but it is recognized that students may want to add their own apps, music or games. Contingent on available space on the iPad (CDH-owned or student-owned), students may add their own apps, music, and games by using a personal Apple ID account. Use of shared family Apple ID's is discouraged. All apps, music and games must be consistent with the mission and values of CDH as stated in CDH's acceptable use policy. This includes music lyrics. If unacceptable items are installed on the iPad, the device will be restored to its original content/image. CDH does not accept responsibility for the loss of any apps, music, games, or documents deleted from a student iPad due to a reformat and/or re-image of the iPad.

iPads are provided for educational use. Gaming or any other non-academic use during class periods is not allowed. Teachers are responsible to enforce a positive learning environment.

All violations must be reported to the Deans of Students. Consequences will include:

1st violation) 1 hour detention

2nd violation) Saturday detention

3rd violation) Parents will be notified and iPad will be locked to restrict use to only CDH required apps.

G. Cameras and Microphones

The iPad comes equipped with audio and video recording capabilities through a built-in microphone and front and rear-facing cameras. Improper use has serious ethical and legal implications.

G.1 Policy compliance

There may be appropriate academic uses for video and audio recording with the iPad. All electronic recordings created with the device must comply with CDH policies, State and Federal laws, and must reflect CDH mission and values. CDH prohibits secret or surreptitious recording undertaken without the knowledge and consent of the person or persons being recorded. CDH policy prohibits the use of electronic recording devices in a manner that compromises the privacy interests of other individuals (See CDH Harassment Policy). CDH policy also prohibits harassment and bullying (Harassment Policy) in all forms. Use of the iPad in a manner that violates CDH policy may result in revocation of the device and further disciplinary consequences.

Users of the iPad should be aware that State and Federal laws in many instances prohibit secret or surreptitious recording undertaken without the knowledge and consent of the person or persons being recorded. Violations of State and Federal recording laws may be reported to the proper authorities and may result in criminal prosecution.

G.2 Classroom Use

Use of the iPad and any other devices with audio and video-recording capabilities for instructional use is at the discretion of the teacher, and the student must obtain prior approval to use the device for such purposes. Users must obtain prior permission before **any** electronic recording or image (for example, a classroom project filmed in a hallway). Any electronic recordings obtained with the recording device at any time are for instructional/educational purposes and individual use. Therefore, electronic recordings obtained with the iPad may not be shared, published or re-broadcast for any reason by the student without permission of the instructor and the involved parties. This includes, but is not limited to Facebook, YouTube, and Twitter.

G.3 Locker Rooms

The Minnesota State High School League mandates that all audio and video equipment be powered off while in school locker rooms. Cretin-Derham Hall complies with this mandate. In addition, iPads must be locked securely while being stored in locker rooms.

G.4 Altering iPad Settings

iPad restrictions are to be set only by the Technology staff. If a parent or student sets restrictions without the knowledge of the Tech staff, the student may have difficulty-completing classwork, and the Tech staff will return the iPad to the original image. Parents who have concerns about their student's use of the iPad should contact the appropriate dean.

Cretin-Derham Hall Student Technology Acceptable Use Policy

This document contains policies regulating student use of the Cretin-Derham Hall computer system, which includes but is not limited to computers and associated equipment, all data networks and servers, email, internet, intranet, website, applications, and other associated services.

Technology at Cretin-Derham Hall exists as a tool for four main purposes; to facilitate learning, supporting all facets of the educational process by integrating technology effectively and meaningfully throughout the curriculum; to develop technological literacy in students and faculty; to cultivate a robust foundation for future learning; to enhance both communication and community, school-wide and globally; and to promote the ethical use of information and technology in an increasingly technological world.

The Cretin-Derham Hall mission promotes Christian values. The use of electronic devices and technology in general rests on the school's values and requires students to accept the same ethical responsibilities found in all the other areas of school life. The general rules and principles of the school are a sound basis for good decision making with regard to technology.

This Acceptable Use Policy applies to anyone using the Cretin-Derham Hall network, hardware and software. Users must follow all rules contained within this policy when in the Cretin-Derham Hall building or at school sponsored events. Failure to follow the below policies will be subject to discipline in coordination with the student handbook and/or at the discretion of the Deans of Students. Students' computers, tablets, cell phones, or other digital devices are subject to the guidelines of this Acceptable Use Policy. Students are allowed to bring electronic devices only after the parent/guardian and user have read the Acceptable Use Policy and signed and returned the "Responsible Use Principles for Students."

- All email is archived and can be accessed by administration. Therefore, use prudence, wisdom, and common sense in all email communication regardless of audience.
- Cretin-Derham Hall is not responsible for any illegal or inappropriate technology use.

Security and Safety

- To support security and privacy, users should not share account information and personal information. Users are cautioned to guard their identity and information online.
- If a student account has been compromised, or a student encounters information or images that make them uncomfortable, or any potential security or network problems; it is the student's responsibility to report it to the Director of Technology and/or Deans of Students.
- In conjunction with administration and faculty, the Internet filtering software combines technological and human review to decide which sites are blocked at Cretin-Derham Hall. However, no filtering software is totally accurate, we expect students to use moral and ethical responsibility when using the Internet.
- Cretin-Derham Hall does not guarantee the security of any files located within the Google Apps For Education system or other storage system. Although Google and other software vendors has a powerful content filter in place, the school cannot assure that users will not be exposed to unsolicited information.
- No cameras or devices with a camera are allowed in any bathroom or locker room.
- Policies in the student handbook apply to all interactions between individuals.

Theft

Persons guilty of stealing and/or destructive behavior may be subject to dismissal or other consequences, such as suspension and community service, as determined by the Deans of Students. Any incidence of theft should be reported to a Dean of Students immediately.

Uniform Policy

In keeping with Cretin-Derham Hall's goal to create an environment in which students have an opportunity to experience equality, regardless of their economic backgrounds, we maintain a uniform dress code. This code is also a way for students to present a positive and respectful image of

Any incidence of vandalism should be reported to a Dean of Students

immediately.

Student Services

Behavioral Assessment and Services

In cases when either the parents or the school request that a student undergo an assessment or evaluation process (chemical/drug/alcohol, psychological, eating disorder, etc.), the following procedure will be followed:

- Students will be required to comply with the recommendations of the evaluation center as part of a provisional return to Cretin-Derham Hall. We will continue to support students who are working through treatment and after-care. Students who are attending AA or other support groups have our support for these efforts.
- No student will return to classes after any evaluation process conducted by staff outside of Cretin-Derham Hall without an interview with at least one administrator, the parents, and one member of the Guidance Department.
- No student will be allowed to return to classes until a formal contract has been negotiated.
- If students remove themselves from evaluation or hospitalization against medical advice, the school reserves the right to refuse re-entry to such students. In any event, a re-entry will always be preceded by an interview and a contract. Part of the re-entry contract will include counseling with the Cretin-Derham Hall guidance staff.

Guidance Department and Support Services

The counselors provide a variety of services to students. During the day, students may meet individually or in a classroom setting with counselors. Six full-time counselors and additional support personnel provide the following services:

- Individual counseling
- Post-secondary guidance and support
- Referral services as needed

One-to-one counseling and various groups based on need or interest are available at all grade levels.

Student Assistance Program

Upholding the mission and values of Cretin-Derham Hall, the Student Assistance Program is committed to support, respect, and care for each member of the community. It provides opportunities for healthy youth development in a trusting environment, which will enable all students to achieve their potential as effective members of church and society. The Student Assistance Program provides

organized and confidential support to staff and students, as well as policies that expect responsible behavior and promote accountability. It also develops educational programs for faculty, students, and parents, encouraging healthy lifestyle choices.

Cretin-Derham Hall has a commitment to maintain the overall health of its members. With that commitment in mind, we reserve the right to intervene in situations in which we believe the emotional health of students is negatively affected.

The Student Support Team (SST) is a referral service for teachers and students aimed at addressing concerns and problems of Cretin-Derham Hall students. SST is comprised of guidance counselors, the nurse, and administrators. SST addresses a wide range of issues including, but not limited to: academic struggles, behavior issues, attendance, anorexia or bulimia, depression, drug and alcohol abuse, grief, family concerns, identity concerns and unhealthy relationships. Health Records and Medication

All ninth graders and new upper-class students must submit a Physician's Certificate upon admission. Cretin-Derham Hall follows the state laws concerning proper immunization and health records. Non-compliance will result in suspension.

All medications, including prescriptions and over the counter medications, that must be taken during the school day must be administered by the school nurse or a designee who the school nurse has

trained and delegated the function of medication administration. The school nurse must be notified in writing when medication must be administered during the school day. Students may bring ibuprofen and acetaminophen for personal use as long as they carry a note with parental/guardian permission with them.

Students taking prescription medications must have a doctor's prescription on file. Students who need to carry and administer their own medications (e.g. inhaler) must have a written consent from the parent and physician. Medications that can be administered to the student appropriately before or after school will be the responsibility of the parent/guardian. Controlled substances (such as Ritalin, Adderall, and some pain medications) must always be kept in a locked cabinet and shall never be carried by a student or be self-administered. Please call the school nurse with questions.

Library and Learning Center (LLC)

The LLC is a public space used by the entire community. Students are expected to treat the physical space with respect and care, respecting those around them who are there to study and do academic work with classmates. Quiet, respectful study is expected at all times, even when working in a group. You will be sent back to class/homeroom if necessary.

The iPad Policy is enforced in the LLC. During the school day, periods 1 through 8, inclusive of lunch and homeroom, iPads and computers must be used for academic work. No gaming, video/music streaming or social media allowed.

Phones and other devices can be used in the Library and Learning Center for the exclusively for the following: academics, music, and text messaging. Earbuds or headphones must be used at all times. Other uses are restricted unless permission is granted by the library supervisor. Phone calls should be made/received outside the library in the hallway.

No eating and drinking of any kind is allowed in the LLC unless permission is granted for lunch meetings for student groups. Food and beverages will be taken and kept for you at the front desk until you leave for the next period. Water in closed containers is acceptable. This applies from 7:00 a.m. to 5:00 p.m.

The quiet space is reserved for **individual** quiet studying. If groups congregate in this area, they will be asked to go out to the main library tables. The conference table area must be reserved in advance with LLC staff. This area may only be used for meetings for staff and students, and for tutoring sessions.

All students are to sign in at the front desk during the school day, periods 1-8. A student ID must be used to swipe at the kiosk at the front desk. Students are expected to stay for the entire period, but if you must go back to class or study hall, you must sign out by swiping your ID at the kiosk to note the time of departure.

Our library and learning center has a space dedicated to your own creativity and curiosity: the CDH Makerspace. You are welcome to use the supplies available to create your own jewelry, artwork, electronic devices, welding, etc. 3D printing is available with priority given to students doing school projects. We also encourage you to mentor others and we will bring mentors in for a variety of experiences. Please clean up all supplies after using the space.

Many students make up tests they miss in the LLC. Please be aware that we support and enforce the Academic Integrity Policy (see p. 21-22) of the Student Handbook in all areas of the LLC. For make-up tests, you are expected to leave your backpack and phone at the front desk. Tests that are not finished during the period allotted will be placed back into the teacher's file and you are responsible for getting a note from that teacher to finish the test.

General Information

Announcements and Bulletins

All notices of club meetings, athletic and social events, general information for the day and specific instructions will be posted each day on the message monitors. Message monitors are located throughout the school building. Students responsible for notices must have their notices approved by their advisor or activity moderator and submitted to the Main Office by 8:00 a.m. Posters, flyers and signs must be approved by an administrator. Students responsible for posting are also responsible for proper removal.

Co-Curricular Activities

Each activity has its own webpage on the CDH website. For general information, please contact Katie Carroll at 651-696-3384 or kcarroll@c-dh.org. To participate in athletics or co-curricular activities, you must be enrolled in and attending Cretin-Derham Hall.

Collections

Intended Purpose

We recognize that our world holds many who are in need. As a community of faith, we want to address the needs of the dear neighbor whenever possible. This policy has been developed due to the volume of requests to raise money and resources. It is hoped that this policy will guide the process of selecting which in-school collections will be sponsored by groups at Cretin-Derham Hall. Please note: this policy applies to **new initiatives**. The current collections and drives will not have to apply for approval.

Process: Proposal and Procedures

A. Any individual or group that wants to sponsor a collection, must submit a written proposal to the Assistant Principal which clearly states:

- The **purpose** of the initiative - especially its connection to Cretin-Derham Hall's Mission and Values.
- A **description** of the Group/Agency/Organization who will benefit from the collection.
- The name of the **faculty or staff moderator** who is overseeing the initiative (N.B. the Assistant Principal who approves the initiative is **not responsible** for its implementation)
- The **timeline** of the initiative (i.e., from beginning to end).
- The **reward/recognition** those who donate will receive (**if any** – giving itself is a reward in striving toward the common good).

B. The individual or group submits the proposal to the Assistant Principal for review and approval.

Evacuation Plans

Evacuation plans are designed to move people to safety in case of emergency.

- In case of fire: Students and faculty will follow the directions posted in each area to exit the building.

- In case of tornado: Students and faculty will follow special directions and proceed to the designated basement areas.
- In case of a bomb threat: Students and faculty will follow special directions for evacuation or containment.

No disruptive behavior is tolerated during the evacuation process.

Evening Activities

Co-Curricular evening activities such as coffeehouses, movie nights and talent shows are an integral part of the development of school community. To host an evening activity, co-curricular organizations must submit a detailed proposal to the Assistant Principal. All evening activities are required to have adult chaperones (including the faculty/staff moderator), and the activity must end by 8:30 p.m. on school nights, 10:00 p.m. on weekends. No school events will be added to the school calendar in May.

Field Trips

Field trips are a privilege. With the approval of the Assistant Principal, teachers may take students for an extended time for either an on or off campus event. Permission slips are to be signed by parents for off campus events, and each teacher whose class will be missed must sign all slips. Students are responsible for making up any missed class work. Missed work, including lectures, labs and discussions, may affect the student's final grade. Students will wear uniforms on field trips unless excused by the Administration.

Hallway Passes

Five minutes passing time is allowed between classes. Students using the corridors during class time should have a pass from the appropriate office or a signed planner from their classroom teacher. Students must have a pass from a teacher to use the Library Learning Center (LLC) during school hours. Students should have a pass from their classroom teacher before visiting the Campus Ministry Offices, Guidance Office, Nurse's Office, and other Student Service Offices. It is the student's responsibility to clear any appointments with their classroom teacher in advance of the appointment.

Homeroom and Study Halls

Students must report to Homeroom on time and remain there for the duration of the period. Truancy from Homeroom will result in detention. Students may work with a teacher during this time if he or she has a pass from that teacher ahead of time.

Study halls are places for study. Students should bring necessary materials with them. iPods, mp3 players and similar devices may be used; earbuds/headphones must be used at all times. With explicit permission from the teacher, cellular phones, cameras, and internet-enabled devices may be used for Internet and text messaging, but not for telephone conversations, social media or gaming. These devices must be in silent mode at all times. No cards or other games are permitted. Study hall supervisors can also conduct the study as a classroom with guidelines beyond the ones just listed. Students may also utilize the resources available in the Library Learning Center if they have a pass from the study hall supervisor or from another teacher. Inappropriate behavior in study hall will result in a referral to the Deans of Students.

Journal Entries

Journal statements that are assignments for class will be reviewed by the teacher and kept private. If a journal entry contains information that suggests harm to oneself or others, a counselor or administrator will be contacted. A teacher may also report language that he or she deems inappropriate, abusive,

threatening, or demeaning based on ability, age, body type, economic status, ethnicity, gender, race, religion, or sexual orientation.

Liturgy

Prayer and worship are integral components of Cretin-Derham Hall. Attendance at liturgical celebrations (Masses, Holy Days of Obligation, Prayer Services) is required. Students should participate in these celebrations, as they are able, and should respect each other's right to a prayerful atmosphere.

Lost and Found

Lost and found items may be claimed from the Deans of Students' Office. All unclaimed articles are donated to charity after the end of each trimester. We reserve the right to search lost and found items for identification and safety purposes.

Lunch

Students must eat lunch in the cafeteria. Students may not order food to be delivered to the school. Parents/guardians may not bring in restaurant food for their child(ren).

Non-School Sponsored Events

No student is allowed to organize, promote, or sell tickets, buttons, etc., to Cretin-Derham Hall students without permission from the Administration.

Personal Property and Lockers

- Students are advised not to bring large amounts of money or valuable items to school. The school is not responsible for lost or stolen articles.
- The use of backpacks is permitted during the school day, and may be subject to search.
- Each student is assigned a locker at the beginning of the school year. To ensure the safety of their property, students are cautioned against giving out their locker combination. Lockers are the property of Cretin-Derham Hall and Cretin-Derham Hall reserves the right to make periodic locker checks and searches. It is the responsibility of the students to keep lockers clean and in good order. If students choose to decorate the inside or outside of lockers, it is expected that this will be done in a manner consistent with the values of Cretin-Derham Hall. Items should be attached using masking tape. Students will be asked to remove any objects that, in the judgment of any faculty or staff member, are not in keeping with these values. Students will remove all decorations from lockers before the end of the school year. Interference in any way with another student's locker is a serious offense. Damage should be reported immediately.

Pregnancy

Believing that life in all its forms is sacred, that intimacy is fundamentally sacramental, and that sex is a celebration of a loving and committed marriage, all Cretin-Derham Hall students are called to be chaste and abstinent. However, if a Cretin-Derham Hall student becomes pregnant or makes another pregnant, the administration, faculty, and staff will affirm the value of life for both the student(s) involved, and the baby to be born. Administration and staff will meet with the student and family to offer emotional support, to ensure medical and social services, and to consider ways that the student can meet his/her educational goals. During the pregnancy, the student is required to follow the color code of the uniform policy (i.e., maintaining the white blouse and black slacks option). Following the birth, special arrangements must be made prior to bringing the baby to school.

Raider Rack

A school store is available to students, parents, faculty and staff. Store hours are 45 minutes before the start of school every day and 2:00-3:30 on school days except Friday and early release days. Clothing items and novelty items are also sold at <http://www.schoolidentity.com>, the CDH online store.

School Closings

In case of inclement weather, students should listen to WCCO (830 AM) radio for any announcement concerning school delay or closing. Closings/school delays are also announced on KARE, KMSP, KSTP, WCCO, and the CDH Website.

School Trips

Trips to places in the United States and in foreign countries are offered to students during the year. These trips are a privilege and students are expected to be in good academic standing and without behavior violations. If a student is failing any class, has a chemical violation, is behind in tuition payments, has been suspended, or has other serious behavioral violations, the student may be denied participation in the trip. Advisors/chaperones of the trip have the authority to deny a student's participation on the trip. If participation is denied after money has been paid, families must deal with the travel agencies. Cretin-Derham Hall is not responsible for refunds.

Transportation

a. Bus Cards

MetroTransit bus cards will be issued to students who live in School District 625 and live more than one mile from Cretin-Derham Hall. Bus cards are available in the main office.

b. Parking and Permits

Driving is a privilege and students who drive to school must register their vehicle (car, motorcycle, scooter) in the Deans' Office. A free parking permit will be issued and must be displayed on the rear view mirror so that it is visible through the windshield. The Holy Spirit parking lot is reserved for faculty, staff and visitors from 7:00 a.m. – 5:00 p.m., Monday – Friday. Students are not permitted in their cars during school hours. Reckless driving in our neighborhood will be subject to police investigation as well as loss of driving privileges. Vehicles illegally parked will be ticketed and/or towed. Vehicles parked on campus or in the Safe & Drug Free School Zone are subject to search.

Students may park in the student parking lot located on the south side of the campus, the Whaley Hall lot, Carondelet Field lot or on the street. Several streets in the neighborhood have city permit parking only; drivers must read and observe posted signs. From August to December students may park on the south side of streets that have permit parking. From January to July students may park on the north side of streets that have permit parking.

c. Snow Emergency Parking

General Snow Emergency parking guidelines include no parking on East – West streets. This includes, but is not limited to, Hartford, Watson, Niles and Juno. There is no parking on the Non Posted sides of North-South streets. This includes Albert Street on both sides if it has not been plowed, and the west side of Hamline Avenue if it has not been plowed. Students should see the Deans with questions. Drivers are responsible for following all snow emergency guidelines as set forth by the City of St. Paul.

Visitors

All visitors must sign in at the Main Office and visibly display the visitor badge. All visitors must report to the Main Office before school the day of the visit. Cretin-Derham Hall reserves the right to deny visiting privileges on an individual basis. Students who no longer attend Cretin-Derham Hall are discouraged from visiting. Students interested in attending Cretin-Derham Hall are invited to spend a day at the school. All visits must be pre-arranged with the Administrator of Admissions. Visits may be arranged from October - April depending on the suitability of the school day. Students currently in high school who wish to visit must have a parent or guardian call the Administrator of Admissions in advance.

Work Study Program

Students may earn money toward their tuition by working at school. Hours may be worked in the summer, before or after school, or on Saturdays. Financial aid is available to families based on need. Families must fill out an application form each year that qualifies them for Cretin-Derham Hall and Archdiocesan money. Highest priority for work-study is given in this order: financial need and those who applied for financial aid over students wishing to work, but not applying for aid.

Fundraising Information

- **Legacy Gala Dinner**

This event brings together the entire CDH Community and marks the kick-off of the school's Annual Fund Drive. It will be held on October 24 at the Crowne Plaza Hotel in St. Paul.

- **Parent Giving Program**

This program consists of financial support from parents to help bridge the gap between tuition and the cost of educating a student at Cretin-Derham Hall. All parents will be contacted and are encouraged to make a gift to the Parent Giving Program. These gifts are tax deductible as compared to tuition payments which are not. Participation from all parents is critical to the success of this effort.

- **Phonathon**

The Cretin-Derham Hall Phonathon is conducted throughout the school year and is a follow up to the Annual Fund Drive. Call Michlyn Walsh at 651-696-3335 if you have any questions.

Helpful Hints

- **Academic Progress Reports and Unsatisfactory Behavior Slips:** may be sent home via mail or e-mail throughout the year. If you receive one, discuss it with your student, sign the slip and return it. You may also call the teacher if you wish. In addition, teachers may be calling you at times to discuss your student's progress.
- **Attendance:** All school assemblies, religious activities, and field trips are an important part of our program. Students are expected to attend these events and not use the time to sleep in, make doctor appointments, or study.
- **Calendar:** All school-related events can be found on the school calendar, which is located on the CDH website. Please check this frequently for changes and updates.
- **Late Starts:** Late Start is a day of the week (usually Wednesdays) when students report to school an hour later than the usual start time. Students attend all their classes that day, but each class is shortened. The first hour of the morning is used by faculty and staff for scheduled professional development activities and department meetings. Late Start days are listed on the school calendar on the CDH website.
- **Conferences:** occur three times a year at mid-trimester, and grades are issued. This is an opportunity to find out how your student is doing and talk to teachers. Parents /guardians pick

up grades in the Link and then visit any teachers they want to see. If you are unable to attend conferences and would like your student's grades mailed home, call the Guidance Office.

- **Publications:** There are several publications during the year that provide information and entertainment. They are:
 - The *Communicator* (parent newsletter, 5 issues)
 - The *Chronicle* (student newspaper)
 - *Traditions* (alumni/ae newsletter, 2 issues)
 - Parent/Student Handbook (online only)
 - Curriculum Book (online only)
 - *Gemini* (yearbook)
 - Student Directory
 - Communications from Administration and the Guidance Office

- **Sports Schedules** are distributed at the beginning of each season. If you have a student in athletics, please be sure to ask him/her about schedules. Changes in that information are not always available to the people answering phones in the afternoon. Your best source is your student.

- **Traffic** around Cretin-Derham Hall at dismissal is very heavy. An additional concern is the Holy Spirit children who dismiss a few minutes after Cretin-Derham Hall students. In order to insure the safety of everyone, we ask the following:
 - no parking in or use of the Holy Spirit school parking lot.
 - follow the traffic signs and directions posted in the Albert Street lots.
 - cars may wait for students on either side of Albert Street.
 - use the drop off site on Hamline Avenue.
 - please be courteous while waiting and do not block traffic or pedestrians.

- **Tuition Plan:** The 2016-2017 tuition is \$12,550. There is also a \$175 technology fee. This amount does not cover the actual cost of educating each student. In order to bridge the gap, the Development Office works to garner support from various sources including parents, alumni/ae and friends of CDH. Tuition may be paid on a 12 month basis (11 months for 12th grade students) or two or three times a year. Individual payment plans may be arranged as needed. A tuition agreement form is signed at the time of registration, and the \$100.00 tuition deposit is paid at that time. It is the responsibility of the parent/guardian of each student to be current in meeting all tuition payments according to the plan indicated on the tuition agreement form. If a student's account is not current, he or she will not receive credit for classes at the end of the trimester. Families unable to meet their financial obligation should talk to the President to make further financial arrangements.

Parents' Association Information

Parents are a vital and active part of the Cretin-Derham Hall Community. The Parents Association organizes many events during the year and gives input and support to the administration. The board of the Parents' Association includes a president, secretary, treasurer and committee chairpersons. Parents are invited to share ideas and issues for discussion with members of the board so these concerns will be heard. A letter asking parents to volunteer their time and talents is sent each summer.
