

9th Grade SUMMER HUMAN GEOGRPAHY

This summer school course fulfills the one-trimester 9th grade Human Geography requirement.

Enrollment in this class is limited and is based on student scheduling needs.
Priority will be given to those students taking a full year of JROTC, Learning Lab and/or Band or Choir

Tuition is \$200.00 due at 9th grade registration on March 2, 2023

Class meets from 8am-1pm

Tuesday – Friday, June 20 – 23 **AND** Monday – Thursday, June 26– June 29

Students will study the distribution of human activities at global and regional scales, and the causes and consequences of those distributions. Specific topics covered will include population, globalization, natural resources, agriculture, economic activity, urban and rural settlements, and cultural phenomena. Students will also learn about the tools that human geographers use to describe the world, and gain a basic understanding of how those tools are applied.
