

English 10th Grade Summer Reading:

For your summer reading, please choose a book from the 10th grade reading list (See below). While you are reading, choose 5 pieces of text evidence (quotes) from the book. **These passages should be key moments from the book.** Be sure to include the page numbers, and make sure you write the text evidence word for word.

"If these books are unattainable, please choose a book that you are interested in and that challenges you. Books can be found online, or in your home, or in the homes of your family members and friends, or even in a Free Library on your corner. If you have any questions you can contact Ms. Malone-Povolny through the school email to ask any questions."

This does not need to be typed, but it is due on the first day of school.

Enjoy your summer.

10th Grade List
