Zoe Barrett

HI EVERYONE!!! I'm Zoe Barrett and I cannot wait to get to know you all and hopefully be your PFP!! I love meeting new people and making new friends, so I know we'll get along great!! I personally have played both soccer and tennis. I have an older sister and a German Shepard that I love to spend time with. In my spare time I like to watch movies, get coffee, take naps, and craft!! I am super into self care and finding things (small and big) that bring you joy. I definitely understand the ups and downs of high school, and I would love to help guide you through it all! It's important to make the most of CDH and find all that it has to offer! Can't wait to meet you all! :)

A little bit about me: I'm the captain of the wrestling team, I made it to state last year and I'm working hard to make it again this year. I also play lacrosse. I love traveling, trying new foods, and just having fun with my friends doing extravagant things! When it comes to music, I listen to everything—from house to country. High school has had its rough moments where I had a lot of questions, but luckily my PFP was there to help me out, and now I want to do the same for you. I also have two dogs named Nacho and Beans and two cats, Lala and Toto. I really enjoy being outdoors, whether it's hiking in the woods or finding beautiful waterfalls. It would be awesome if you picked me to be your PFP I'd be so happy to help!

I keep up with pretty much everything that happens and I'm a Buffalo Bills fan. Out of all the places I've traveled I would say that the best place was probably the Dominican Republic. We did a lot of fun activities and I loved that it was nice and hot. I'm excited to get to know my PFP and make a new connection.

I could go shopping for hours on end, and I'm always up for a late night drive or listening to music (I literally love EVERY genre!) On the weekends, I love to grab iced coffee and chat with my friends (even though it's an expensive hobby, it's totally worth it). I know what it's like to feel overwhelmed at a new school, and I want to do everything I can to make sure you feel comfortable. I want to be someone you always feel safe and have fun talking to, whether it's about a test you have coming up or something as basic as your favorite song. I can't wait to meet you guys and help make this school year better in any way I can :)
