Excellence

AT CRETIN-DERHAM HALL | 2020-2021

Our Mission

Cretin-Derham Hall is a Catholic co-educational high school, co-sponsored by the Brothers of the Christian Schools and the Sisters of St. Joseph of Carondelet, committed to Christian values and academic excellence in grades nine through twelve. We will educate young men and women of diverse abilities, cultures, and socioeconomic backgrounds for opportunities in post-secondary education.

Letter to
Our Benefactors

Dear CDH Benefactors,

You have made a difference!

You can see the hope and promise on the faces of our recent graduates as they confidently look to their future. They have been well-prepared, challenged, and encouraged over the four transformational years at Cretin-Derham Hall. And now, these Raiders, the Class of 2021, are going forth to change our world in ways we cannot even imagine.

On behalf of the entire CDH community, we thank you.

Because of you, we are able to continue the strong tradition of excellence that is the hallmark of Cretin-Derham Hall. Despite challenges, we are making it through a pandemic that turned the world upside down by adjusting the 'how,' but never the 'why' behind our unmatched CDH education. You helped us provide in-person instruction in a hybrid model while many students around the country were not allowed into a school building for over one year. We are proud of this accomplishment and grateful for your help during these difficult times.

As always, your support means that our students have significantly more affordable access to our high quality education, as well as highly credentialed and caring teachers and a broad array of co-curriculars to round out their education. The Ryan STEM Center is close to completion, along with a host of other campus improvements for the benefit of the entire CDH community. We look forward to celebrating the end of construction of these projects later this fall.

Inside this Annual Report, you will see not only a record of our community's generosity, but also some highlights of this past year because of it. These are just statistics, but hopefully the distinctive quality of a CDH education comes through in your interactions with our students and graduates, and in the stories we share all year long of the great things happening here. Make sure you take a look at our magazine and the digital newsletters coming your way. You can also follow us on Social Media (see page 33 for more information).

We are humbled by your gifts and are grateful to partner with you in this sacred mission entrusted to us by our founders, the Christian Brothers and the Sisters of St. Joseph of Carondelet.

*May God continue to bless you and those you love!
Live Jesus in our hearts, forever!
So that all may be one.*

Francis M. Miley, J.D.
President

Robert Bollinger
Vice President for Advancement

Cretin-Derham Hall

550 SOUTH ALBERTA STREET

New Format of Annual Report Designed for our Readers

Cretin-Derham Hall is unequivocally blessed by our long tradition of support from our benefactors. We are pleased that you are taking some time to honor our generous donors by looking at this year's Annual Report. As one of our donors, you are in great company and we appreciate the faith and trust you put in CDH.

We continue to strive to be good stewards of our donor resources by creating a streamlined report, resulting in less donor dollars going to printing and distribution costs.

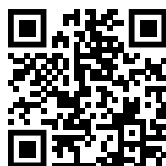

This year, you will find a more compact list of donors and a financial overview. We have also asked some of our donors to share why they support our school.

- In keeping with our dedication to the one community of Cretin-Derham Hall, the alumni sections are no longer separated by school: Cretin, Derham Hall or Cretin-Derham Hall. All alumni are now grouped by their graduation year. You and your classmates are now honored as an alum of our school, Cretin-Derham Hall and are listed alphabetically.
- To ensure the well-deserved recognition of our treasured donors as well as provide the information that our donors want or need, we asked donors two years ago what they valued most in the Annual Report. The response to these slight changes was positive and so we will continue the slight changes that were informed by our community.
 - Class lists will continue to be prominent, but are not longer broken up by gift levels. Donor names are presented alphabetically.
 - Gift levels will continue to be included with breakouts based on total annual giving. Donors who give \$500 or more will be listed under the appropriate giving level in the printed Annual Report.
 - A complete list of all donors, including those who have given less than \$500, will be listed in the online version of the Annual Report. We are very grateful for this incredible number of donors!
- As you flip through this Annual Report, the photos in this publication were taken when social distancing and masking were not required. Due to COVID-19, our ability to take photos without masks was limited, so some of the imagery is from previous years.

The 2020-2021 Annual Report is also available online at c-dh.org/news-hub/publications.

Thank you for your ongoing support!

Strong Foundation. Vibrant **Future**.

CROSSING THE THRESHOLD
FOR THE NEXT GENERATION.

Open Doors with the *Strong Foundation.* *Vibrant Future.* Campaign

Built on a firm foundation of excellence, Cretin-Derham Hall has a legacy of proudly opening doors and welcoming in generations of students and families to an education that develops students to be lifelong learners and faithful leaders.

The *Strong Foundation. Vibrant Future.* Campaign is a unique opportunity to support Cretin-Derham Hall as we not only welcome students and families to our school, but we ensure excellence and access at every level.

The *Strong Foundation. Vibrant Future.* Campaign kicked off in 2018 with a goal of \$22 million. Thanks to the investment and support by donors in the quiet phase of the campaign, more than \$19.5 million has been raised. The impact of that generosity is already far-reaching and significant.

- The Lentsch Forum is complete and has become a welcoming hub of activity for our campus.
- The first phase of the infrastructure project has been completed, resulting in a more robust HVAC system designed to update buildings that are more than 100 years old, as well as upgrades to ensure healthy air filtration and circulation, especially in light of COVID-19.
- A significant commitment to tuition assistance continues, with \$3 million in aid provided to families annually.
- A recent leadership gift for the new Ryan STEM Center made construction of the brand new, innovative learning space possible. Ron Ryan '62 (*see page 6*) envisioned a state-of-the-art place for CDH students to hone their science, technology, engineering and math skills needed for a challenging world.

This is our mission. These are our values.

We now need your help to bring it home.

FOR MORE INFORMATION on how you can support Cretin-Derham Hall, please contact Rob Bollinger, Vice President of Advancement at 651-696-3343.

We are asking donors, like you, to help us cross the threshold for the new generation.

With the generosity of our benefactors in this campaign ensuring more than 90% of our goal, we proudly invite you to make your largest gift possible to ensure the excellence we aspire to provide for our CDH community.

The Strong Foundation. Vibrant Future. Campaign will address these important needs:

TUITION ASSISTANCE/SCHOLARSHIPS

For 42% of our families, the tuition assistance package literally opens the door to what CDH offers. Without this tuition assistance, a CDH education would be out of reach for many families. Each year, approximately \$3 million in assistance is provided to current students with the sole intention of removing financial barriers to a CDH education. There is more need than we have funds to cover. Your support is critical!

In the last few years, CDH has also offered significant *merit* scholarships that reward students who show commitment to our school's values in academics, character, and leadership and these are not dependent on financial need. These valuable scholarships are completely funded by donors like John Schaller '71 who established the Schaller Raider Brigade JROTC scholarship program.

THE RYAN STEM CENTER TECHNOLOGY AND EQUIPMENT

With innovation and problem-solving as a foundation, the new 3,000 square foot STEM Center has been designed to provide both a design lab and a hands-on construction space. To harness our students' collaborative and creative skills, the center will feature flexible space for both individual and group work.

With construction slated to be complete by the fall, our priority shifts to equip these spaces with state-of-the-art technology and equipment. Your financial support is needed to take this innovative space to the next level for our students.

LITERACY PROGRAM

Cretin-Derham Hall is leading the way to improve literacy at all levels of education in the Archdiocese of Saint Paul and Minneapolis. CDH joined CSCOE (Catholic Schools Center of Excellence) and Groves Academy as a partner for the Believe + Read Program, an innovative literacy program in more than 44 Catholic elementary schools as of September, 2021.

As a funding partner in this program, CDH recognizes the value of supporting students at all stages of their learning so that they are ready for the challenges of high school and beyond.

With the goal to eliminate illiteracy in all Catholic schools in our Archdiocese, literacy will become a competitive advantage and strengthen our Catholic school system.

INFRASTRUCTURE

This is our home, and your support is needed to maintain it.

The list of infrastructure improvements is long, and some might even say boring, but will have a critical impact on maintaining the best learning environment for our students. In addition, due to the age of some of our campus buildings, we needed to establish more cost-effective and energy-efficient building management systems to benefit generations to come.

In addition to the new HVAC and air filtration/circulation system, improvements include significantly enhanced and energy-efficient lighting in all classrooms and hallways, renovation of several large bathrooms built in 1927, replacement of the parking lot following the complicated solution to a major watershed issue as required by the City, upgraded locker room facilities, and replacement of the roof over the Auxiliary Gym.

Join the *Strong Foundation. Vibrant Future.* Campaign by considering a generous gift to Cretin-Derham Hall. Your gift, no matter the size, will open doors.

"We were excited at the opportunity to invest in something that would uniquely benefit students. Our family has a long history with this school. Generations of the Lentsch family have attended since 1911. When we think about the success of Cretin-Derham Hall, we think about that sense of family. It's when we feel that we belong that we really open ourselves up to the possibility of achieving "more" — better grades, athletic accomplishments, connected relationships, and an overall deeper high school experience."

**TOM '68 AND
DEBBIE LENTSCH**

“My education at Cretin gave me the opportunity to enter Engineering School and become a professional engineer. This continued commitment to STEM gives CDH students an opportunity to develop areas of individual interest and work in professions that address the needs of society today.”

RON '62 AND PATTY RYAN

Ryan STEM Center Opens Fall 2021

The brand new Ryan STEM Center is a place for innovation, creative problem-solving, and collaboration. Designed to enrich our STEM curriculum in math, science, engineering, technology, and the fine arts, it will also enhance co-curricular opportunities for all students at CDH. For instance, all incoming 9th graders take a foundational Science and Engineering course to anchor their science track. Students will be able to utilize this innovative space in Fall, 2021.

The Ryan STEM Center, featuring a Design Lab and a STEM Lab, is centrally located near the Library and Learning Center (LLC) and the Commons. These dedicated, high-tech learning spaces provide hands-on learning experiences in real-world applications, allowing students to design products on computers and construct those designs with 3D printers, laser cutters, and other technology.

In this space, students will practice skills such as observing, questioning, creativity, persistence, curiosity, critical thinking, risk-taking, and problem-solving — maximizing student potential and scaffolding them for success in college and career.

A full-time STEM Education Coordinator will support faculty and students in using the state-of-the-art space to its fullest potential. The Coordinator will increase opportunities both in the classroom and co-curricular activities, summer camps, and access to STEM, science and art careers.

CDH ALUMNI COMMUNITY LEADS THE EFFORT

The vision for the Ryan STEM Center originated with Ron Ryan '62, founder of R.J. Ryan Construction. Ryan approached CDH with his desire to impact the study of science and engineering as students prepare for exceptional educational and career paths. Ben Beery '03 of Wold Architects and Engineers designed the Ryan STEM Center. The CDH science, math, technology, and art faculty will be instrumental in planning and equipping this space.

“CDH provided a fantastic foundation for me both personally and professionally. The academics, athletics and co-curricular activities were instrumental in developing the foundation of values, ethics and leadership that continue to be fundamental in my life. I learned that hard work and persistence leads to opportunities, sometimes planned but more often unforeseen. It means to be a member of a community that supports each other in good times and bad. At each significant event in my life I have been able to depend on my friends from CDH as well as the larger community. CDH even reached out after the death of my father, which demonstrated the loyalty and care they feel to the student body.

Supporting CDH is natural due to the support they have shown me over the years. With each new generation of students, we need to continue to build the CDH community.”

JIM WIELAND '93

Senior Vice President and General Manager, Magellan Healthcare

Ron credits much of his success in engineering and construction to the great education he received at Cretin. He hopes to provide a space where current and future Raiders can learn the skills they need to enjoy success in the worlds of business, technology, and engineering.

“Ron '62 and Patty Ryan have significantly invested in our students and will impact generations to come,” noted Frank Miley, President. “CDH is committed to maximizing student learning for a world-class education designed to meet the evolving needs of a complex world. This additional space expands our well-equipped science and art classrooms and labs, providing students with more dedicated learning space as they prepare to solve the problems of tomorrow.”

“To me the beauty of CDH is its diversity. Being a graduate of CDH means belonging to something bigger than yourself — a community of people who care about one another and take responsibility for making the world a better place by thinking global and acting local.

Ensuring that more students of all backgrounds have the opportunity to earn a CDH education and experience the acceptance, power and love of the CDH community is why I support CDH.”

KENDRA HARRIS. M.D. '09

Obstetrics/Gynecology Resident, Mayo Clinic

CDH Offers Valuable Merit Scholarships to Incoming 9th Graders

"It is extremely important to know where you came from and the hard working community that shaped you. Graduating from CDH is one of the first big achievements in my life and being a first generation here in the U.S. it means the world to my family.

It was not something I did on my own, a very big & special thanks goes to my parents for believing in me. Our school is a family while you're there as a student and when you graduate to go explore the world. The Purple and Gold Raider Pride lives on!"

NAPOLEON TAVALE '03
Actor, Producer, Director

CDH offers three different merit scholarships that recognize the gifts and talents of our incoming students. These scholarships are awarded to select students in addition to funds provided in critical tuition assistance awarded to our students based on financial need. The value of these scholarships is significant and ranges from \$1,000–\$10,000.

"We are proud to invest in students who demonstrate a commitment to excellence, which is a hallmark of a Cretin-Derham Hall education," stated Frank Miley, President.

Generous donors have made these scholarships possible. If you are interested in supporting these scholarships, please contact Rob Bollinger, Vice President of Advancement at 651-696-3343.

- **Placement Test Scholars Award.** Designed to honor the academic excellence of those students who earn a national cumulative score of 90% or above. Students must test at CDH to be eligible for the \$2,500 award for their 9th grade year.
- **Carondelet and LaSallian Scholars.** Recognizes young men and young women who exemplify the values that best represent the CDH community: Faith, Leadership, and Service. Students must apply for the \$2,500 award which is renewable for all four years.
- **Schaller Raider Brigade Scholarships.** Supports students who plan to participate in JROTC. Students must apply for the awards which range from \$10,000–\$1,000, renewable for all four years.

Ryan McDonagh '07 shows off the Stanley Cup to the CDH girls hockey team.

What is a Class Representative?

Class Representatives play a critical role in keeping each class update on the good news at Cretin-Derham Hall while helping their classmates stay connected. Class Reps engage their classmates, encourage giving, especially during the reunion years, attend events, and act as ambassadors for the school to help carry on the traditions that keep our school strong.

Started many years ago as a Cretin High School initiative, with many Derham Hall classes also having representatives, the program was expanded to officially include all Cretin-Derham Hall graduates, including members of the classes from Cretin, Derham Hall and CDH.

You are encouraged to reach out to your Class Rep with any questions or ideas.

If you would like to join this important group of CDH ambassadors, please contact Peggy Gartland Schafer '79 at 651-696-3318 or pschafer@c-dh.org for more information.

UPCOMING EVENTS

We anticipate a more event-filled 2022. Please check our Advancement and Alumni webpage for updated information. In the meantime, mark your calendars and plan to join us!

"I am grateful for so many blessings in my life. I watched as my parents generously supported the school. It was easy for me to follow their lead.

It is important to help organizations that support my family and my community and Cretin-Derham Hall does just that."

"Cretin immersed me in an appreciation of a balanced pursuit of happiness that includes the pleasure of continuous learning and focusing on our friends, family, and community.

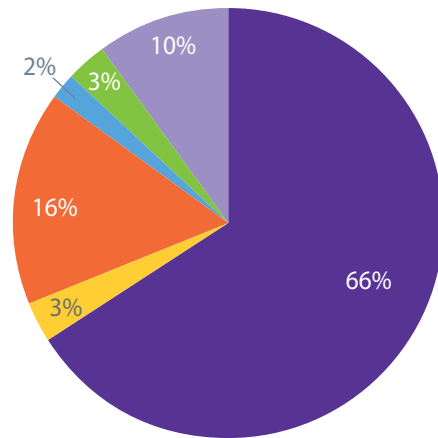

I think it is human nature to want to share our good fortune and positive experiences. Giving to CDH is an opportunity to "pay it forward" to the next generation in the hopes that they can form similar and lifelong bonds.

Even after 46 years, my closest friends are still fellow Cretin grads. From my experience, that's pretty exceptional."

Blessed Brother James Miller, FSC Lifetime Giving Society

Members of the Blessed Brother James Miller, FSC Lifetime Giving Society (formerly known as the Lifetime Member of the Good Samaritan Council) have distinguished themselves through their generous philanthropic support of Cretin-Derham Hall. These generous benefactors have each contributed \$100,000 or more over their lifetime in support of Cretin, Derham Hall or Cretin-Derham Hall.

Annual Giving 2020–2021

We are pleased to acknowledge the following donors for their generosity and support of Cretin-Derham Hall through gifts made between July 1, 2020 and June 30, 2021.

GOOD SAMARITAN COUNCIL

\$25,000 or more

The Good Samaritan Council pays tribute to Cretin-Derham Hall's most generous donors. Like the biblical character referenced in the New Testament, these generous benefactors have surpassed all measures of stewardship by advancing the mission of our school.

BISHOP CRETIN COUNCIL

\$1,000 – \$2,499

Bishop Joseph Cretin founded a school in the basement of his Cathedral in 1851. That school became Cretin High School and now, Cretin-Derham Hall. Committed to the establishment of a Catholic education, Bishop Cretin worked tirelessly to develop a system that taught the Catholic faith and had solid academics.

PRESIDENTS COUNCIL

\$750 – \$999

The Presidents Council honors the religious lay men and women administrators, who, throughout the school's history, have provided leadership, commitment, and vision.

IRELAND COUNCIL

\$500 – \$749

The Ireland Council combines what was known as the Archbishop Ireland Society at Cretin High School and the Mother Seraphine Ireland Council at Derham Hall. John Ireland was the first Archbishop of St. Paul and a student at Bishop Cretin's school. Archbishop Ireland's sister, Mother Seraphine Ireland, was the Superior for the Sisters of St. Joseph of Carondelet at the time of Derham Hall's formation.

HUGH DERHAM COUNCIL

\$250 – \$499

Named for the man whose gift of \$25,000 made Derham Hall a reality in 1905. Members of the council that bear his name lend credence to his belief in quality, Catholic education that was so much a part of Derham Hall and is preserved today at Cretin-Derham Hall.

CENTURY COUNCIL

\$100 – \$249

The Century Council commemorates
over 100 years of combined service
that the Christian Brothers and
Sisters of St. Joseph of Carondelet
have provided for young men and
women of the St. Paul area.

Alumni Donors 2020–2021

As we celebrate our alumni as ONE community, we now list all alumni by their graduating year in alphabetical order. There are no school breakouts or gift levels in this section.

For details on being a Class Representative, see page 9.

CLASS OF 1937

Leo White

CLASS OF 1938

Estate of George J. Frey

CLASS OF 1939

Estate of Robert Geisenheyner

CLASS OF 1940

Vincent & Leona Arceno
Richard, MD & Dottie Dekko Frey*

CLASS OF 1941

Robert Jones, PhD

CLASS OF 1942

Cretin Class Representatives:

Richard Banz, George Rumsey

Richard Banz
Estate of Eugene & Beverly Lentsch

Excellence

BEYOND CRETIN-DERHAM HALL

Cretin-Derham Hall is a Foundation for Success Beyond High School

We take great pride in our students' Cretin-Derham Hall experience and the opportunities to thrive. These are four very impactful years of high school. The academic rigor and challenge for each student, within a broad slate of curricular choices and levels ensures very impressive opportunities beyond CDH, giving our graduates the finest choices for their continued education.

Our students earn admittance into a very impressive array of colleges and universities. This gives them the opportunity to select the best fit between the college or university, career goals, personal values, and affordability.

79% Students Earn Merit Scholarships to College

36% Choose Minnesota Schools Where the High Caliber, Affordable Education is Close to Home

62% Attend Schools in the Five State Area (MN, WI, IA, ND, SD)

26% Attend Catholic Colleges/Universities

Top Colleges Selected by Class of 2021

University of Minnesota – Twin Cities | Marquette University | College of St. Benedict/St. John's University
