

## 2017 CDH Summer Work Program

This summer, the **CDH Summer Work Program** will require only a limited amount of student workers. These workers must be available to work Monday thru Friday, 8:00AM – 12:00 noon starting Monday, June 12 and finishing Friday, August 18. They will not work the week of the 4<sup>th</sup> of July. Workers will receive \$9.00 per hour paid on the 15<sup>th</sup> and 30<sup>th</sup> of the month.

Students with positive work experience in the past will be given first priority. Students can apply on the attached form before May 8, and we will let those know who are accepted by email on or before Friday, May 12.

The **School Work Study Program** will remain as it has in the past. This program can usually accommodate all those who apply. Applications for the School Work Study will be available August 1.
