

## ACT and SAT TEST PREPARATION ORGANIZATIONS

**Note:** CDH has been made aware of the following test preparation options. CDH does not specifically endorse any of these organizations or individuals and this list is not meant to be exhaustive. It is your responsibility to research and contact the organization or individual.

\*In addition to these resources, there are numerous apps available in your iPad app store (both free and low cost).

**Learning Express:** Free resource with standardized test prep and more. To access Learning Express, go to:

CDH website

> Current Parents/Students

> Library Learning Center

> Digital Resources/Databases

> Learning Express - Register to make an account while physically present at CDH. Once you have an account, you will be able to access it anywhere.

**ACT:** Free test prep resources including a download of a study guide with practice questions & online practice of each test section

<http://www.act.org/content/act/en/products-and-services/the-act/test-preparation.html>

**Khan Academy:** Free online test prep for SAT, AP exams and general high school subject help
